

Instructions Collective Bargaining Cost Data for the FB 17-19 (Based on Actual FY 16)

Completed Form CB-1 must be submitted in paper and electronic format by the assigned due date.

Form CB-1

A Form CB-1 should be prepared separately for each applicable cost item in accordance with the stipulated unit of measure. The information is requested for FY 16 (actual amounts) by means of financing (additional means of financing data is being requested this year) and by bargaining units on a department-wide basis. Do not submit information by program ID.

Data for appointed and elected officials are again being requested. It is anticipated that information concerning appointed and elected officials will be primarily per diem requirements.

**As of July 1, 2012 new employee's differential payments are not subject to pension accumulation. Please provide the percentage of the total amount for each differential paid to employees who became ERS members after June 30, 2012.**

It should be noted that each CB-1 comes in three parts; a separate cost item accounting is requested for included bargaining units, excluded bargaining units, and excluded managerial units and appointed and elected officials. Since not all cost items are required for all departments, please complete the attached checklist.

The forms are available for download at: <http://budget.hawaii.gov/budget/budget-forms/>
