ADMINISTRATIVE DIRECTIVE NO. 09-01

To: All Agency Heads

Subject: Policy and Procedure for the Adoption, Amendment, or Repeal of
Administrative Rules

This administrative directive updates the policy and procedure by which departments or agencies shall request executive approval of any proposed adoption, amendment, or repeal of administrative rules. It rescinds Administrative Directive No. 99-02, Policy and Procedure for the Adoption, Amendment, or Repeal of Administrative Rules, dated August 2, 1999.

Legal Reference:

Section 91-3(c), Hawaii Revised Statutes, provides that, "the adoption, amendment, or repeal of any rule by any state agency shall be subject to the approval of the governor."

Hawaii Revised Statutes Chapter 201M, the "Hawaii Small Business Regulatory Flexibility Act," requires that if a proposed rule "affects small business," the department or agency shall submit a "small business impact statement" and a "small business statement" to the Small Business Regulatory Review Board. Chapter 201M does not apply to emergency rulemaking or rules adopted to comply with a federal requirement.

Policy:

Whenever any department or agency requests executive approval for the proposed adoption, amendment, or repeal of a rule, the director of the department or agency shall ensure that the proposed changes conform to existing legal provisions, including Chapter 91, Hawaii Revised Statutes. In requesting the adoption, amendment, or repeal of any rule, the director will explain or submit the following:

1. Explain the exact changes to be made and the purpose, reasons for the changes, and justification for the change. If applicable, cite the present rule and quote the proposed rule change in full without paraphrasing.

2. Describe the manner in which the proposal would affect the agency's internal and external responsibilities, programs, functions, operations, activities, and inter-relationships.
3. Identify the final result expected by instituting the proposal (e.g. a program improvement/clarification of statute).
4. Identify any program and financial impacts on the State that will arise upon the implementation of the proposal to include:
 - a. Long- and short-range program impacts, and
 - b. Anticipated program funding required for the present biennium, including a statement as to whether funds are currently budgeted to permit the implementation and enforcement of the proposed adoption, amendment, or repeal of the rule, and estimates for anticipated savings or funding shortfalls projected over the subsequent four-year planning period, and the assumptions used to arrive at the estimates.
5. Describe long- and short-term impacts to the public or the economy of the State.
6. Identify the alternatives explored in lieu of implementing the proposal.
7. Provide an explanation of whether the proposal will affect small business. For purposes of this Directive, a proposal will affect small business if the proposal will impact a for-profit enterprise consisting of fewer than 100 full-time or part-time employees and will cause a direct and significant economic burden upon a small business, or is directly related to the formation, operation, or expansion of a small business.

If a proposal affects small business, the department or agency will describe:

- a. Whether it has considered the availability and practicability of less restrictive alternatives that could be implemented in lieu of adopting the proposal;
- b. Whether it has considered creative, innovative, or flexible methods of compliance for small business in lieu of adopting the proposed rule; and
- c. Whether it has prepared a "Small Business Impact Statement" that has been submitted to the Small Business Regulatory Review Board for consideration under HRS Chapter 201M.

Procedure:

1. Approval of the Governor is required prior to any rule change proceeding to a public hearing.

Prior to formal publication of notice of public hearing on the proposed adoption, amendment, or repeal of any rule, departments and agencies will:

- a. Obtain the Attorney General's approval "as to form" prior to submitting the rule to me for approval for public hearing; provided that as to rules proposed for adoption, amendment, or repeal that are submitted by the Board of Regents of the University of Hawaii, such rules shall be first reviewed and approved as to form by the University's Office of General Counsel prior to submission to the Attorney General. The Department of the Attorney General will complete its pre-hearing review on an expeditious basis;
 - b. Provide the Governor's office with a copy of the proposed rule, including the information requested in "Policy" items 1 through 7 above; and
 - c. At the time the rules are submitted to the Governor's Office, concurrently provide copies to the Director of Budget and Finance (B&F) and to the Director of Business, Economic Development and Tourism (DBEDT) for their prompt review. B&F and DBEDT comments will be forwarded directly to the Governor.
2. Notice of Public Hearings.

If any proposed rule affects small business, the notice of public hearing will summarize any business impact described in the "Small Business Impact Statement," and will state any new fee or compliance burdens that will be placed on small business.

3. Final Approval After Public Hearing.

Departments and agencies will obtain the Governor's final approval for the adoption, amendment, or repeal of any rule after the required public hearing has been held. In seeking final approval, the director of the department or agency concerned shall:

- a. Indicate whether any revision is being recommended to the proposed rule, amendment, or repeal based on facts and circumstances brought out in the public hearing;
- b. If a revision or change is recommended, provide a copy of the proposed rule with revisions and changes to the Attorney General for approval "as to form" prior to resubmitting the rule to the Governor for final approval; provided that as to rules proposed for adoption, amendment or repeal that are submitted by the Board of Regents of the University of Hawaii, such rules shall be first reviewed and approved as to form by the University's Office of General Counsel prior to submission to the Attorney General.

The Attorney General's office will approve the form within two weeks of receipt if the changes are not substantive. If the changes are determined to be substantial or material by the Attorney General, an additional public hearing will be held.

If a re-hearing of a proposed rule is sought, the procedures required for approval to proceed to public hearing will again be followed;

- c. Indicate whether the proposal affects small business, and, if so, whether a "Small Business Statement," which provides the information described in HRS Chapter 201M, has been submitted to the Small Business Regulatory Review Board; and
 - d. Submit three copies of the proposal in standard format and in accordance with Chapter 91, HRS, for the Governor's final approval. The original and a copy of the rules adopted by the department or agency will be signed by the director of the department, by the chairperson of a board or commission of a principal department, or by the chairperson of a board or commission if the rule has been adopted by a board or commission which is assigned to a department for administrative purposes. The third copy may use a facsimile of the required signatures.
4. Distribution of Approved Adopted Rules.
- a. A complete set consisting of three copies approved by the Governor will be filed at the Office of the Lieutenant Governor.
 - b. The Office of the Lieutenant Governor will provide one copy to the agency adopting, amending, or repealing the rule.
 - c. Each department or agency adopting, amending, or repealing the rule will provide one file-stamped and certified copy of the rule in the Ramseyer and standard formats to the Legislative Reference Bureau.
