## **Appendix 1—The Program Structure**

## INTRODUCTION TO THE PROGRAM STRUCTURE

The program structure is a hierarchical, objective-oriented organization of programs and was designed to categorize meaningfully all State programs in accordance with the objectives and sub-objectives which they serve.

The information in this document is presented in the order of the program structure. Therefore, an understanding of the program structure is necessary in order to locate a specific program in this document.

### **Program Structure Numbers**

There are 11 major State program areas that correspond with the 11 primary objectives of State Government. They are identified as "Level I programs," and each is assigned a unique two-digit number as follows:

- 01 Economic Development
- 02 Employment
- 03 Transportation Facilities and Services
- 04 Environmental Protection
- 05 Health
- 06 Social Services
- 07 Formal Education
- 08 Culture and Recreation
- 09 Public Safety
- 10 Individual Rights
- 11 Government-Wide Support

Within each of these 11 major programs is a hierarchical structure of subordinate programs grouped into levels upon which meaningful resource allocation decisions can be made. In most cases, this has meant a breakdown to four or five levels within each major program. Each level of this hierarchy is also identified by a two-digit number. Hence, a Level II program may carry the number 02 or 03, and so may a Level III program. As a result, every program at every level in the structure can be identified by a unique combination of two-digit numbers.

For example, the program entitled "Agriculture" is identified by the number 01 03, where 01 stands for the Level I program, Economic Development, and 03 stands for the Agriculture program at Level II. Similarly, the program entitled "Financial Assistance for Agriculture," a third level program, is identified by the number 01 03 01, where 01 is the Level I "Economic Development" program; 03 is the Level II "Agriculture" program; and 01 is the Level III "Financial Assistance for Agriculture" program.

In order to locate information regarding a specific program in the Executive Budget documents, it is necessary to know the program structure number of that program.

All information is organized sequentially by program structure number. For example, all programs with numbers commencing with 04 follow those with numbers commencing with 03. Similarly, the program with the number 06 01 comes before 06 02; 06 01 02 comes before 06 01 03; and so on.

Part I of this section displays the State's Program Structure and the Program Structure Numbers.

### **Program ID Numbers**

In addition to the program structure numbers described above, each lowest level program in the structure has a "Program ID" number. This number is used to indicate the department of the State Government in which the particular lowest level program is organizationally administered. The number actually consists of three letters and three digits. The letters identify the department, and the digits identify the program. For example, the program ID number HTH 501 indicates that the program is organizationally administered by the Department of Health; the digits 501 are unique to that program in the department.

The following departmental letter designations have been assigned:

AGR Department of Agriculture  
AGS Department of Accounting and General Services  
ATG Department of the Attorney General  
BED Department of Business, Economic Development and Tourism  
BUF Department of Budget and Finance  
CCA Department of Commerce and Consumer Affairs  
DEF Department of Defense  
EDN Department of Education  
GOV Office of the Governor  
HHL Department of Hawaiian Home Lands  
HMS Department of Human Services  
HRD Department of Human Resources Development  
HTH Department of Health  
LBR Department of Labor and Industrial Relations  
LNR Department of Land and Natural Resources  
LTG Office of the Lieutenant Governor  
PSD Department of Public Safety  
SUB (This designation is for state subsidies not  
associated with a department.)  
TAX Department of Taxation  
TRN Department of Transportation  
UOH University of Hawaii

The following departmental letter designations have been assigned:

Part II of this section lists the program ID numbers in alphabetic order followed by the program structure number and program titles. This listing serves as a guide in cases where the program structure number is not immediately known. By knowing which department administers the program, reference can be made to this listing to identify the assigned program structure number.
