1. **Scope and Applicability.** The Governor's Budget Execution Policies and Instructions shall apply to all means of financing (MOF) appropriated and authorized by Act 119, SLH 2015 (the General Appropriations Act of 2015), and other specific appropriations authorized for expenditure in FY 16 by the 2015 Legislature or other legislative sessions.
2. **General Statement of Policies.** State agencies shall implement appropriation acts providing for State government programs in conformance with the purpose of such acts, and shall carry out such purposes efficiently, with due respect for the financial condition of the State and all applicable laws and policies.
 - a. Oversight and control shall be executed in accordance with Part II of Chapter 37, HRS; Section 37-74, HRS; and other applicable legislation and statutes.
 - b. Departments shall plan program operations and expenditures for the fiscal year at levels necessary to accomplish program goals within allocation ceilings approved for the departments, pursuant to Part II of Chapter 37, HRS (Allotment System).

Total expenditures and total positions designated for each program in each fiscal year shall not exceed the sums and numbers appropriated or authorized, and allocated as provided in Exhibit 1, FY 2016 Allocation, except as otherwise provided by law.

- c. Expenditure plans shall be developed within allocated amounts consistent with legislative requirements and executive priorities. These plans shall be prepared and submitted to B&F according to **Attachment B**.
- d. Program reports of affected activities, attainments, and expenditures corresponding to proposed allocations by allotment periods shall be submitted according to **Attachment B**.
- e. Special fund expenditure plans shall include estimates of transfers to the general fund as required by Sections 36-27 through 36-30, HRS (or as otherwise provided by law), for the payment of various assessments for special fund central services and departmental administrative expenses. Such assessments should be within allocated appropriations and treated as first charges against the respective funds, unless otherwise specified. Transfers shall be made to the general fund on a quarterly basis.
- f. Programs situated on ceded lands that derive revenues shall comply with Executive Order No. 06-06. Changes in activities on ceded lands and/or changes in the status of ceded lands that result in new revenues are subject to Executive Order No. 06-06. Transfers to the Office of Hawaiian Affairs shall be made on a quarterly basis.
- g. As appropriate, every effort shall be made to utilize authorized federal and other non-general revenue resources to provide services which meet similar objectives of programs for which State funds are authorized. All such non-general fund expenditures, however, must be within amounts appropriated and allocated, except where otherwise authorized by law. (*See section on "Federal Funds" in this attachment for further guidelines.*)

All agencies receiving federal funds for operational purposes shall review such operations for possible changes in anticipated federal or other grants. It is not to be assumed that State funds will replace any reduction in federal or other grant funds; nor should it be assumed that State funds will be increased to qualify for increases in available federal matching funds. Program need and statewide priority must be demonstrated.

- h. To control the growing energy demand and costs of State operations, agencies are urged to take appropriate steps to improve energy efficiency in State facilities. Agencies shall comply with Administrative Directive (A.D.) No. 06-01 (Energy and Resource Efficiency and Renewable Energy and Resource Development) and State energy policies in accordance with Chapter 196, HRS. Coordination of A.D. No. 06-01 shall be under the auspices of the Department of Business, Economic Development and Tourism (DBEDT).
- i. The implementation of program budgets shall be consistent with the overall theme, goals, objectives and policies of the priority guidelines contained within applicable approved functional plans, and as contained within Chapter 226, HRS.

3. **Allocations.**

Effective immediately, departments will receive their respective budget allocations for FY 16.

Exhibit 1 contains each department's full-year allocation (net allocation), which reflects each department's FY 16 operating program appropriation (gross allocation) from Act 119, SLH 2015:

- General funds – 100% of non-discretionary appropriation; \$1,000,000 of discretionary appropriation plus 90% of balance of discretionary appropriation (adjusted by a 5% restriction and a 5% contingency restriction) less other allocation adjustments, as applicable; and 0% of vacation payout appropriation.
- Other than general funds – 100% of appropriation.
- Collective bargaining (CB) adjustments.

Exhibit 1 reflects included and excluded (if applicable) CB allocations for Bargaining Units (BU) 2, 3, 4, 5, 7, and 9 for the applicable negotiated agreements. Amounts reflected for included and excluded BU 14 reflect amounts equivalent to the terms of the BU 3 or 4 agreements, pending an initial agreement with BU 14. (Note: CB amounts for BUs 1, 5 (partial), 6, 10, 11 and 13 were included in the FY 16 budget base and were already included in each department's program appropriation.)

FY 16 departmental Requests for Allotments (**Form A-19**) shall reflect full-year allocations by program ID and MOF. Use **Form CB** to provide a summary breakdown of CB allocations by fund, appropriation symbol, Act, and included/excluded. Totals should be provided by fund.

4. **Funds Subject to Allotment.** All MOF appropriated or authorized by the Legislature for FY 16 shall be subject to the allotment process as provided by Section 37-33, HRS. Unencumbered allotment balances at the end of each allotment quarter shall revert to the related appropriation account, except for: the Department of Education (DOE) pursuant to general law; as otherwise provided by specific statute; pursuant to Section 37-40, HRS; or by procedures specified in **Attachment B** with respect to trust funds, federal funds and other federal funds.

5. **Allotment of Specific Appropriations and Appropriations for Vacation Payouts and Funds to Private Agencies.**

- a. Specific appropriations and appropriations for vacation payouts and funds to private agencies shall be subject to the allotment system.
- b. Expenditure of specific appropriations and appropriations for vacation payouts and operating Chapter 42F grants shall require the Governor's approval through B&F.

Operating Requests for Allotment (**Form A-19**) for specific appropriations may be submitted concurrently with the request for Governor's approval to expend, to be processed pending Governor's approval of the request to expend.

Requests to release vacation payout appropriations will be made on a case-by-case basis based on actual requirements, subject to the Governor's approval through B&F.

- c. All CIP allotments for Chapter 42F grants and other specific appropriations will be made on a case-by-case basis, subject to the Governor's approval through B&F. Prior to the submission of any CIP request for allotment, the expending agency or user department (when the user is different from the expending agency) must follow the applicable procedures for CIP implementation under **Item 25**, as applicable.
- d. Requests for the release of operating and CIP grants must include a copy of the grant application and indication of compliance with Chapter 42F, HRS, requirements. Use **Form F** for all individual grant allotment requests.

Note: Section 42F-107, HRS, requires the Executive Branch to give public notice, beginning on the 91st day after the effective date of the legislation, to the recipient of any grant awarded under Chapter 42F, HRS, of the status of a grant that is not yet released until a final determination is made on the status of the grant.

- e. Funds to private agencies shall not be allotted where it has been determined that the private agency has not complied with qualifying provisions and procedures of Chapters 9, 42F, 103D, or 103F, HRS, as applicable. Departments should consult with the Department of the Attorney General (AG) on the legal requirements to be fulfilled by grant recipients.
 - f. Pursuant to Section 42F-103(d), HRS, if a grant is used by an organization for the acquisition of land and the organization subsequently discontinues its activities, repayment to the State of the amount of the grant must be made.
6. **Deficiency Spending Prohibited.** There shall be no expenditure of funds in excess of amounts appropriated and allotted, nor shall agencies establish positions in excess of the numbers authorized in the budget and allotted, unless otherwise provided by specific legislation, and as provided elsewhere in these instructions.
7. **Lapsing of Funds.** Operating funds appropriated for FY 16 that are not expended or encumbered as of June 30, 2016 shall lapse on that date, except as provided for DOE, federal funds and other federal funds, or as otherwise provided by law. Federal funds and other federal funds appropriated for FY 16 for operating purposes that are not expended or encumbered as of June 30, 2018 shall lapse on that date.

8. **Delegation by Department Heads.**

- a. As permitted by applicable general laws, department heads may delegate authority to approve certain agreements and contracts (which have been deemed to be within the director's authority) to an appropriately designated deputy, officer, or manager in the director's respective department. The Comptroller of the Department of Accounting and General Services (DAGS) must be notified of such delegation in writing.
- b. Delegation of procurement authority shall be in accordance with Chapter 103D, HRS, Subchapter 3, Chapter 3-121, HAR, and Procurement Delegation No. 2010-01 and Amendment 1 and No. 2010-02, or as amended. Procurement Delegation Memoranda are available on DAGS' State Procurement Office (SPO) website: <http://spo.hawaii.gov> (click on *Manual for State & County Personnel*, then click on *Delegation*). Department heads shall ensure that procurement delegations of authority are current as submitted (Transmittal and SPO-036) to the Administrator, SPO. Forms are available on DAGS' SPO website: <http://spo.hawaii.gov> (click on *Forms*).

9. **Federal Funds.** All departments receiving federal funds for operations and CIP should not assume that State funds will replace the loss of any federal-aid money, nor should it be assumed that State funding will be increased to qualify for increases in available federal matching funds.

- a. All departments are required to notify B&F when a federal award is received within 14 calendar days of receipt. To notify B&F, awardees must enter information about the award into the Federal Awards Management System (FAMS), a feature of Datamart, and upload a PDF copy of the Federal Award Notice to create a FAMS Award Record. The notification requirement will be met after the Award Record is received and approved by B&F. Questions regarding FAMS should be directed to B&F's Office of Federal Awards Management.

The University of Hawaii (UH) is exempt from this notification requirement. All other exemption requests must be made in writing to the Director of Finance. All approved exemption requests will be posted on federalawards.hawaii.gov.

- b. Pursuant to **Section 102** of Act 119, SLH 2015, the Governor's prior approval is required to: 1) increase a program's federal fund ceiling as authorized by the Legislature; and 2) expend non-appropriated federal grant funds. Accordingly, all such requests for federal funds shall require the Governor's prior approval in the attached formats (Forms E-1, E-2, and E-3, as applicable).
- c. A FAMS Award Record ID number shall be noted on the Request for Allotment (Form A-19) for operating and referenced in the CIP allotment request.

- d. Each department with federal funds should refer to the B&F memorandum previously sent to their department regarding the "Assignment of Appropriation Symbols for FY 16 Federal Awards," which includes procedures for federal fund allotment requests. Policies and procedures regarding the management of federal funds are posted on federalawards.hawaii.gov.
- e. Federal Fund Lapsing. Departments with federal fund or other federal fund appropriations which lapse June 30, 2016 may request Governor's approval, through B&F, to extend the lapse date of the federal and matching non-general funds as necessary to meet the intent of federal grant awards pursuant to **Section 103** of Act 119, SLH 2015 (**Forms E-4 and E-5**).
- f. Federal Fund Deposits. All federal funds received by departments shall be deposited into the State Treasury unless otherwise provided by federal funding conditions or specifically exempted from this provision by competent authority acknowledged by the Director of Finance.
- g. Recovery of Indirect Costs and Fringe Benefits from Federal Grants and Contracts. State agencies administering federal grants and contracts **shall** pursue the recovery of indirect costs and fringe benefits. Federal payments shall be deposited into the general fund. (Source code 0579 and the department's alpha code should be used.)

10. **Special and Revolving Fund Receipts and Expenditures.**

- a. All special and revolving funds must have been authorized and appropriated by law in order to be expended.
- b. Authorized and appropriated special and revolving funds can only be expended up to the level of receipts available in such funds.
- c. Special and revolving fund expenditures authorized in Act 119, SLH 2015, and other specific appropriations are limited to amounts appropriated and allocated, except as otherwise provided by law.
- d. **Appropriated** special and revolving funds authorized by law to expend in excess of appropriated amounts shall require the Governor's prior approval before making such expenditures. All requests for such expenditures shall be submitted to the Governor through B&F.

11. **Trust Funds.**

- a. Pursuant to Section 37-40, HRS, expenditures of trust funds are permitted up to levels of available receipts, except as otherwise provided by law, or except as limited by conditions of the trust agreement or fund.

Section 37-33, HRS, allows the Director of Finance, as required, to prescribe regulations for controlling expenditures and encumbrances of funds which have not been appropriated on a regular basis.

- b. Trust funds **appropriated** in Act 119, SLH 2015, which an agency seeks to expend in excess of appropriation levels, shall require the Governor's prior approval before making such expenditures. All requests for such expenditures shall be submitted to the Governor through B&F.

12. **Reimbursements from Federal or Other Funds.** All federal or other fund reimbursements shall be deposited into the general fund or the appropriate fund account that provided the original advance funding, except as otherwise provided by law. Programs shall ensure that appropriate and correct reimbursements from federal and other funds are made for pension accumulation, Social Security, health insurance, other post-employment benefits (OPEB) and other fringe benefits. Documentation shall be submitted to B&F as reimbursements are processed.

Expenditure of reimbursements without legislative or statutory authorization or appropriation may be considered to be in violation of Sections 37-31 and 37-42, HRS.

13. **Gifts or Private Contributions to Programs.** Where specific special, trust, revolving or private funds have not been established for such purposes, agencies shall be responsible for demonstrating that such authority is consistent with applicable statutes and appropriate expenditure provisions of the State Constitution. The Governor's approval is required prior to the receipt and expenditure of such contribution or gift, unless otherwise provided by law.

Departments are reminded that Section 37-52.5, HRS, requires that a report listing all administratively established accounts or funds and their respective revenues, expenditures, encumbrances and ending balances, is due to the Legislature at least 20 days prior to the convening of each regular session. A copy of this report shall be sent to B&F.

14. **Workforce Control.**

- a. **Position Allocation Ceilings.** The number of permanent full-time equivalent (FTE) positions, which may be established and filled by each department, shall not exceed the total number **allocated in Exhibit 1** to each respective department, by MOE, and the numbers provided for project-funded positions in **Item 25.e.** (CIP Staff Services Cost).

- b. Establishment and Filling of Positions/Vacancies.

All departments should thoroughly assess and evaluate the need to establish and/or fill a position. All department heads are advised to seriously examine and weigh each request to establish and/or fill positions against their departmental budget, the overall fiscal condition of the State, and the value the position will give to the public, along with the need to sustain government services in the long term. Department heads are expected to be accountable for all decisions to establish and/or fill positions.

b.1 Department heads are delegated the authority to approve the following:

- Establishment and/or filling of authorized (permanent or temporary) and funded civil service positions as indicated in the department's FY 16 operating budget (BJ) details or CIP Staff Services Cost appropriation of Act 119, SLH 2015.
- Establishment and/or filling of authorized positions in DOE, Charter Schools, Hawaii State Public Library System (HSPLS), Hawaii Health Systems Corporation (HHSC) and UH.
- Establishment, filling and/or extension of positions that are 100% federally funded or 100% funded by non-appropriated trust funds.

All departments should exercise caution in the filling of federally funded positions. Future reductions to federal grant awards is always a possibility and departments should not assume that State funds will be available to support program costs which were previously federally funded.

- Establishment and/or filling of authorized exempt Hawaii State Hospital staff positions currently necessary to ensure Department of Justice compliance.
- Establishment and/or filling of authorized exempt Hawaii Youth Correctional Facility staff positions.
- Establishment and/or filling of authorized exempt Department of Health positions previously mandated by the Felix or Makin Consent Decrees and are currently necessary to ensure compliance.

- Establishment, filling and/or extension of exempt positions, which are exempt pursuant to Section 76-16(b), subsection (10), HRS, provided positions are authorized and funded in the BJ details of Act 119, SLH 2015, and sufficient funding is available in FY 16.
- Extension of exempt positions with incumbents, provided positions are authorized and funded in FY 16.

- b.4 Proposed actions to establish or extend positions that are exempt from civil service pursuant to Section 76-16(b), subsections (2), (12), and (15), HRS, unless previously delegated to the departments, shall require the prior review and approval of Department of Human Resources Development (DHRD) before submission to the Governor, through B&F, for approval to fill or extend exempt positions and appointments beyond their not-to-exceed (NTE) dates.
- b.5 DHRD has provided the departments with delegated authority to review and approve civil service exemption for positions established under Section 76-16(b), subsections (3), (10), and (17), HRS. The Governor's approval is not required for extending these exempt positions and appointments beyond their NTE dates. The delegated authority to approve and extend positions under subsection (3) is applicable as long as the court order or decree is in effect and the positions cannot be filled through normal civil service recruitment procedures.
- b.6 Positions not Authorized by the Legislature. **Section 128** of Act 119, SLH 2015, prohibits the expenditure of funds, including federal funds, to fill any permanent or temporary position not authorized by the Legislature. This prohibition does not apply to:

No. 90-13, dated February 5, 1990, and as further provided herein.
- c.1 Department heads are delegated the authority to change a position's classification series (position variance) where the cost difference is no more than 20% above the authorized budgeted amount.
- c.2 The Governor's prior approval through B&F is required for requests to change a position's classification series where the cost difference exceeds 20% of the authorized budgeted amount.

- c.3 Other requests to implement position variances from authorizations in Act 119, SLH 2015, or as authorized in general law, or in any other Act of the Legislature, shall also be submitted to the Governor for review in the manner prescribed above, to ensure consistency with program and legislative intent.

18. **Information Systems Technology (IT) and Telecommunication (TC) Services, Facilities and Resources**. All IT and TC services, facilities, and resources are functions of the Office of Information Management and Technology (OIMT), under the authority of the State Chief Information Officer (CIO).

- a. OIMT shall have general supervision, oversight and control over the acquisition and utilization of IT and TC facilities and resources within the Executive Branch and may grant exemptions from A.D. No. 11-02.

Note: A.D. No. 77-02, A.D. No. 87-01, and all amendments have been replaced by A.D. No. 11-02, dated September 29, 2011, *Cancellation of Administrative Directive No. 77-02*.

- b. Applicable statutory provisions, such as Chapters 76 and 103D, HRS, shall be observed by departments and agencies, as applicable.
- c. All IT and TC consulting services, as well as all other IT and TC related services require the approval of the State CIO pursuant to A.D. No. 11-02. Only IT or TC related consulting service requests that have been approved by the State CIO should be submitted to the Governor, through B&F, for approval, in accordance with Item 16 as provided herein.

Note: The required review and approval by the State CIO pursuant to A.D. No. 11-02, shall be conducted and completed by OIMT. The OIMT requires at least two work weeks advance time to complete its review and recommendation.

- d. Departments or agencies contemplating acquisition of any IT or TC facility, service, hardware or software must plan the acquisition project as required by A.D. No. 11-02 and submit such plans for approval to the State CIO prior to the acquisition.
- e. Ongoing IT services, such as hardware or software maintenance, must obtain approval from the State CIO pursuant to A.D. No. 11-02.
- f. Other IT or TC products or services that are not operational expenses and are not included within A.D. No. 11-02 policy and procedures, shall require prior approval by the State CIO to assure compliance with the State's strategic direction for IT or TC, as are all acquisitions of IT or TC investments.
- g. Authority to approve all IT or TC acquisitions (hardware, software, maintenance contracts, consultant services, telecommunication services, other products or services, etc.) that are less than \$100,000 is delegated to department heads and will not require State CIO approval. However, this delegation of authority to department heads shall require the submittal of the following forms and documentation regarding the IT or TC expenditure to OIMT, as appropriate:
 - Hardware or software purchases - **Form T205**
 - Telecommunications, network, radio or microwave investments - **Form ICSD-001** (Telecom Request)
 - Maintenance contracts or consultant services - memorandum or appropriate project documents

- h. All IT or TC acquisitions of \$100,000 or more must obtain prior approval from the State CIO. This dollar threshold applies to budgeted and unbudgeted acquisitions. The appropriate documents shall be submitted to request such acquisition approvals (same as forms and documentation for Item g. above).
- i. All IT or TC acquisitions must be reported to OIMT regardless of MOF (e.g., general, federal, special, or revolving funds), type of cost (operating or CIP) or acquisition cost.
- j. OIMT is in the process of developing policies regarding the centralization of the purchase of software and licenses.

19. **Lease of Office Space.** Section 171-30, HRS, provides DAGS with the responsibility for the acquisitions of any office space in non-State owned buildings for use by State departments or agencies. Departments shall submit all requests for new leases and lease renewals through the Comptroller under procedures established by DAGS. All requests shall include current organizational charts approved by B&F (if an approved organizational chart is not available or if positions are not included on a B&F approved organizational chart, provide appropriate BJ details and/or an approved **Form HRD-1**) and completed DAGS' forms (including staff space computations and leasing information sheets).

20. **Risk Management and Insurance Administration.**

- a. Comptroller's Memorandum No. 89-06 (dated February 15, 1989) provides guidelines for and shall govern departmental procedures with respect to the operations and implementation of a comprehensive State risk management and insurance program.
- b. Most appropriations for general fund agencies for risk management benefits have been centralized within AGS 203 (State Risk Management and Insurance Administration). Pursuant to **Section 113** of Act 119, SLH 2015, agencies with appropriations for risk management costs are reminded to transfer funds to AGS 203 for administration and implementation.

21. **Procurement of Goods, Services, and Construction (Chapter 103D, HRS), and Purchase of Health and Human Services (Chapter 103F, HRS).**

- a. All department heads that are delegated procurement authority by the Chief Procurement Officer shall be in compliance with Chapter 103D, HRS, and its applicable Chapters 3-120 to 3-132, HAR, as issued by the Procurement Policy Board.
- b. As required by Section 103D-310(c), HRS, the procuring officer shall verify vendor compliance upon award of a contract resulting from a procurement conducted pursuant to Chapter 103D, HRS, Sections 302 (Invitation for Bids), 303 (Request for Proposals), 304 (Professional Services), and 306 (Sole Source) and for contracts and procurements of \$2,500 awarded pursuant to Section 103D-305 (Small Purchases).

- c. All departments and agencies shall be in compliance with Chapter 103F, HRS, and its applicable rules in Chapters 3-140 to 3-149, HAR, as issued by the Procurement Policy Board, for the purchase of Health and Human Services (HHS).
- c.1 Department heads are delegated the authority to approve **budgeted** HHS contracts.
- c.2 The Governor's approval through B&F is required for **unbudgeted** HHS contracts.
- d. Price and Vendor List Contracts issued by SPO. All Executive departments and agencies may purchase their requirements for goods and services from SPO issued price and vendor list contracts, unless otherwise noted. HHSC, UH and DOE may utilize price and vendor lists as indicated on the applicable lists.
- e. Parceling is strictly prohibited. Section 103D-305, HRS, *Small purchases; prohibition against parceling*, states in part ". . . procurement requirements shall not be artificially divided or parceled so as to constitute a small purchase under this section." Further, Section 3-149-304, HAR, states "*The practice of parceling a large single purchase of health and human services into multiple smaller purchases in order to avoid conducting a competitive purchase of services, or to otherwise frustrate the purposes of chapter 103F, HRS, and these rules is forbidden.*"
- f. Except as otherwise provided, all purchases shall be governed by DAGS' guidelines and procedures.
- g. Equipment. "*Equipment*" is tangible property of a more or less permanent nature (other than land or buildings and improvements thereon) that is used in an operation or activity. Examples are machinery, tools, furniture and furnishing, and certain vehicles such as farm tractors, mowing machines, and plows required for the performance of program tasks. For budget purposes, "*equipment*" **excludes** general-use motor vehicles such as trucks, cars, and buses, which are covered under "*motor vehicles*."
- g.1 Departments requesting purchase of equipment under A.D. No. 11-02 (relating to IT and TC services, facilities and resources) and as described in Item No. 18 shall: 1) obtain preliminary approval from OIMT; then 2) submit such request to the Governor for approval through B&F, as applicable.
- g.2 Department heads are delegated the authority to approve the purchase of equipment items which are:
- 100% federally funded, or
 - **budgeted** as an equipment cost element (all other MOF), or

- **unbudgeted** (all other MOF) single purchase orders totaling less than \$100,000.
- g.3 The following documentation shall be provided to DAGS for the processing of purchase orders and contracts for budgeted equipment purchases of \$100,000 or more:
- Purchase orders - Include notation, signed by your department head, which indicates 1) that equipment is budgeted for FY 16 and 2) the Program ID in which the equipment is budgeted.
 - Contracts - Include memorandum from your department head, which indicates 1) that equipment is budgeted for FY 16 and 2) the Program ID in which the equipment is budgeted.
- g.4 The Governor's approval through B&F is required for **unbudgeted** single purchase orders of equipment totaling \$100,000 or more.
- h. Motor Vehicles. For budget purposes, "motor vehicles" include "passenger cars," "pickup trucks," "sports wagons," "vans," "buses," or any self-propelled vehicles designed for carrying or transporting passengers and/or property, and generally drawn upon a road or highway.
- h.1 Department heads are delegated the authority to approve the purchase of motor vehicles which are:
- 100% federally funded, or
 - **budgeted** as a motor vehicle cost element (all other MOF), or
 - **unbudgeted** (all other MOF) single purchase orders totaling less than \$100,000.
- h.2 The Governor's approval through B&F is required for **unbudgeted** single purchase orders of motor vehicles totaling \$100,000 or more.
- h.3. Motor vehicle purchases are subject to Chapter 103D, HRS, and the following:
- i. Oahu and Maui: All passenger cars, leased or purchased, new or used, shall require Comptroller's approval. Review for approval shall consider vehicle type, size, and availability from DAGS Automotive Management Division (DAGS-AMD) motor pools.
- Hawaii, Kauai, Lanai and Molokai: For passenger cars purchased for these islands, agencies shall submit an annual listing of vehicles purchased during the fiscal year for review by the Comptroller for compliance with paragraph "iv" below.

- ii. Passenger vehicles shall conform to the standard specifications and criteria issued by DAGS-AMD. Exceptions to the standards shall require Comptroller's review and approval.
 - iii. Specifications for other than passenger vehicles, including exceptions to the DAGS-AMD standards, shall be the responsibility of the individual purchasing agency.
 - iv. Used motor vehicles require the approval of the head of the purchasing agency and, for passenger vehicles only, the approval of the Comptroller as provided above.
 - v. Used motor vehicles acquired from the SPO Surplus Property program are not subject to Chapter 103D, HRS, but shall comply with paragraph "iv" above.
 - vi. Agencies shall ensure compliance with Act 96, SLH 2006, on Energy and Section 103D-412, HRS, *Light Duty Motor Vehicle Requirements*.
- i. Agencies shall ensure applicable contracts are reported, in compliance with:

22. Request for Allotment of Funds (Operating).

- a. Within departmental fund allocations, department heads may implement legislatively authorized new programs or improve existing services authorized under Part II of Act 119, SLH 2015, or in other specific appropriation Acts, or which are consistent with program budgeting guidelines and objectives pursuant to Section 37-74, HRS.
- b. Appropriations used for the initiation of **authorized** new programs or for the improvement of existing services or which are consistent with Section 37-74, HRS, shall be reflected in the operational expenditure plan, where these items shall be separately identified in the narrative portion of the expenditure plan. All authorized new programs, or improvements to existing programs that are planned for implementation by the agency, must be within allocation ceilings and supported by appropriate evaluations or justifications.
- c. Program appropriations authorized under Part II of Act 119, SLH 2015, or in other specific appropriation measures, that are not planned for implementation in the fiscal year will be reflected in the "Estimated Balance" column on the Request for Allotment (Form A-19). (See **Attachment B** for guidelines and procedures.)

- d. Full-year program operational expenditure plans and Form A-19s shall reflect accounts by "10" (payroll) and "20" (others), and must be consistent with the updated BJ details of Act 119, SLH 2015, or the provisions of the authorizing specific appropriation, as applicable.
23. **Allotment Balances/Transfer of Funds.** Requests for Allotment (**Form A-19**) and Requests for Transfer of Funds (**Form A-21**) shall be used, as appropriate, for adjustments of program allotment accounts. As applicable, agency requests for the transfer of funds shall be submitted to the Governor for approval through B&F. All such requests must be accompanied by a written justification stating the nature and reasons for the transfer, including its legal basis. Unless otherwise provided by other specific provisos in Act 119, SLH 2015, **Section 107** of Act 119, SLH 2015, limits such transfers to operating funds between appropriations within the same fund within an expending agency.
- a. Anticipated requests for transfer of funds (Form A-21) shall be identified in the full-year expenditure plans.
 - b. Provisions of this section shall apply to transfers made under **Section 107** cited above and to any transfer of funding between any agency or program authorized in Act 119, SLH 2015, including all MOF, except for: UH, DOE, Charter Schools, and special fund appropriation transfers in HHSC, as authorized by general law.
 - c. Pursuant to **Section 96** of Act 119, SLH 2015, expenditures for programs to cope with natural disasters or other unforeseen emergencies shall be made only with a formal declaration of a natural disaster or emergency by the Governor.
24. **Transfer of Vacation Credits.** Pursuant to Section 78-23(b), HRS, transfer of funds representing accumulated vacation credits shall be made only when an employee is transferred between government jurisdictions as defined by Sections 78-1.5 and 76-11, HRS, or between positions within the same jurisdiction which are financed by different funds. Transfer of vacation funds shall not be made when the employee transfers between positions within the same jurisdiction, and if the transferred employee's salary is to be paid from the same fund. The transfer of vacation funds can be reversed if the employee returns to his or her original position, within the same fiscal year. Vacation transfer funds are considered to be realizations to the general fund or the respective non-general fund.
25. **CIP Expenditures.** In general, departments are directed to consult guidelines and instructions in E.M. No. 97-07, "*Procedures for Requesting the Implementation of Capital Improvement Projects,*" dated June 19, 1997. The following updated and/or amended guidelines shall also apply:
- a. Except as specifically authorized by legislative proviso, MOF authorized for CIP described in **Section 47** of Act 119, SLH 2015, may not be changed or substituted by other MOF or by funding appropriated for other cost categories without legislative amendment or as otherwise provided by law.

- b. G.O. bond CIPs described in **Section 47** of Act 119, SLH 2015, and requiring supplemental funding shall utilize funds transferred pursuant to the provisions of **Section 83** of Act 119, SLH 2015, before requesting supplemental allotments from available project adjustment funds as provided by **Sections 85** and **89**, as applicable, of Act 119, SLH 2015.
- c. **Expenditure Plans.** **Departments with CIP appropriations shall submit CIP expenditure plans for FY 16 (Form CEP) by September 11, 2015.**
 - c.1 The expenditure plans will serve as guidance for reviewing requests for allotments, CIP-related contracts, etc.
 - c.2 Requests for the allotment of critical projects may be submitted before the due date for expenditure plans.
 - c.3 Grants may be included in the expenditure plans.
 - c.4 Departments with CIP projects funded by special funds, G.O. bond funds with debt service costs to be paid from special funds, revenue bond funds, or revolving funds shall submit projected six-year financial plans for the respective fund responsible for cash or debt payments to B&F with their CIP expenditure plans.
- d. **CIP Allotment Procedures.** The following shall be observed for requests to allot funds.
 - d.1 All allotment requests must be consistent with the departmental CIP expenditure and appropriate financial plans.
 - d.2 Allotment requests may include more than one phase if supported with adequate justification.
 - d.3 As the need to implement arises, allotment requests shall be submitted for the Governor's approval through B&F. This procedure also applies to requests to use the Governor's or UH's Project Adjustment Fund (PAF) pursuant to **Sections 85** and **89**, respectively, of Act 119, SLH 2015.
 - d.4 Allotment requests for projects which require the use of budget provisos should include appropriate references to the proviso sections to be used in the "Subject" line of the request (e.g., ". . . as authorized by Act 119, SLH 2015, Item X.01 and Section XXX," where "Section XXX" refers to the proviso section) and should indicate the intended use of the provisos in the body of the request.
 - d.5 New appropriation symbols for new cost elements, delegation, or PAF requests shall be requested from DAGS' Uniform Accounting and Reporting Branch in writing. The appropriation symbols shall be typed on the Allotment Advice (Form A-15) prior to submitting the request.

- d.6 AA numbers will be assigned by B&F upon receipt of request. Do not fill the anticipated date of the Governor's approval.
- d.7 Authorized grants must contain all appropriate supporting documents, including the grant application and indication of compliance with Chapter 42F, HRS, requirements. Departments should consult with the AG on the legal requirements to be fulfilled by grant recipients. Use **Form F** to request the allotment of CIP grants.
- d.8 Requests for advance draw-downs of CIP funds by third-party project managers shall be prohibited. Disbursement of funds shall be made only upon actual completion of work.
- d.9 Clarification on awarding a construction contract when the low bid is higher than the basic bid estimate and available appropriation.

If the low bid is higher than the basic bid estimate but funds are available within the construction allotment (e.g., contingency) with no intent to request release of additional construction funds, departments are allowed to award the construction contract.

If the low bid is higher than the basic bid estimate and available appropriation, departments are not to award the construction contract and must notify the Governor to recommend suitable funding alternatives. This includes: negotiations to reduce the low bid within the available appropriation; use of deductive alternates to reduce the low bid within the available appropriation; or use of other construction cost items (e.g., contingency) if the department intends to request release of additional construction funds.

- d.10 Works of Art Special Fund - Transfers to the Works of Art Special Fund shall be in compliance with Chapter 103-8.5, HRS.
- e. CIP Staff Services Cost. All agencies with an authorized project-funded staff ceiling shall be funded via a separate appropriation in the budget identified for staff services only. The separate appropriation will be used only for staff salary related costs (e.g., overtime) and fringe benefits. Approved project funded staff ceilings are as follows:

DOT Highways Division	366 positions
DOT Harbors Division	18 positions
DOT Airports Division	35 positions
DAGS	76 positions
DLNR	27.5 positions
DBEDT	19 positions
DOE – EDN 400	66 positions
HPHA	10 positions

- f. Grants. Upon the Governor's approval, the following procedures shall apply to all CIP appropriations to private organizations:
- f.1 The expending agency shall enter into a contract with the private organization as required by Chapter 42F, HRS. The contract shall provide that the State be reimbursed a pro rata share of the facility costs (monetary or pro rata share of the facility) should the private organization cease to satisfy the specified public purpose.
 - f.2 The executed contract must be submitted to DAGS' Pre-audit Branch and will be used to encumber allotted funds.
 - f.3 The private organization should request payment through the expending agency as work progresses on the project.
 - f.4 Request for allotment of grants funded with G.O. bonds shall be made only after the recipient organization has obtained commitments from all other funding sources for the project.
 - f.5 State funds will be disbursed to the private organization by DAGS' warrant vouchers from expending agencies, with supporting documentation of work completed.
 - f.6 The expending agency shall monitor compliance with Chapter 42F, HRS, and the public purpose and legislative intent of the grant.
- g. Pursuant to **Section 95** of Act 119, SLH 2015, expenditures for CIPs to cope with natural disasters or other unforeseen emergencies shall be made only with a formal declaration of a natural disaster or emergency by the Governor.
- h. CIP Lapsing. All funding for CIP described in **Section 47** of Act 119, SLH 2015, that are unencumbered as of June 30, 2018 shall lapse as of that date. However, pursuant to **Section 90** of Act 119, SLH 2015, this lapsing date does not apply to non-general fund authorizations which are denoted as necessary to qualify for federal aid financing and reimbursement, and which have been so designated by the Legislature that are unencumbered as of June 30, 2022 shall lapse as of that date.

As a reminder, non-general fund authorizations from prior General Appropriation Acts, as amended, which were denoted as necessary to qualify for federal aid financing and reimbursement, and which had been so designated by the Legislature that are unencumbered shall also lapse as follows:

- Act 162, SLH 2009, as amended by Act 180, SLH 2010, shall lapse as of June 30, 2016 (Section 58 of Act 134, SLH 2013, as amended by Act 122, SLH 2014).

- Act 164, SLH 2011, as amended by Act 106, SLH 2012, shall lapse as of June 30, 2018 (Section 59 of Act 134, SLH 2013, as amended by Act 122, SLH 2014).

Departments with federal fund or other federal fund appropriations which lapse June 30, 2016 may request Governor's approval, through B&F, to extend the lapse date of the federal and matching non-general funds as necessary to meet the intent of federal grant awards pursuant to **Section 103** of Act 119, SLH 2015 (**Forms E-4 and E-5**).

i. Private Activity Uses of Bonds (PAB).

Projects funded by G.O. and/or G.O. Reimbursable (G.O.R.) bonds are required by the Internal Revenue Code (IRC) to be used for governmental purposes in order to preserve the tax-exempt status of interest on such bonds. In certain instances, private entities and/or activities may be funded by G.O. and/or G.O.R. bonds provided that they meet certain IRC requirements. Expending agencies responsible for such authorizations shall ensure that such requirements have been met.

Form PAB must be completed for every private entity and/or activity project funded by G.O. or G.O.R. bonds listed in the department's CIP expenditure plan and must be submitted as follows:

1. At initial CIP allotment request for G.O. or G.O.R. bond funding through the Executive budget request process;
2. At request for allotment/release of G.O. or G.O.R. bond funding; and
3. Upon completion and acceptance of the projects.

If the intended use of a project changes at any time, including subsequent to the completion of a project, departments are required to update the **Form PAB** and submit to B&F.

CIP requests to be funded with G.O. or G.O.R. bonds are required to have the **Form PAB** submitted along with the request. Should the required **Form PAB** not be included at any time throughout the process, the department's request shall be returned without action.

26. Operating Program Reports.

- a. Quarterly staffing reports (**Form V**) shall be submitted to B&F **no later than 14 days** after the end of each quarter.
- b. Quarterly reports for DOE and UH shall be submitted as provided by general law or as provided herein.

27. Other Administrative Reporting Requirements.

- a. Programs that have changes in revenues shall report such changes in the quarterly updates of revenue estimates (eRev).
- b. Program and departmental responses to provisos in Act 119, SLH 2015, requiring the development, performance, completion, or reporting of studies, reports, findings, evaluations, updates, notifications, and plans to the Legislature or appropriate authority shall follow requirements of the proviso.
- c. Act 100, SLH 1999, requires every department to develop and submit a report on the department's goals and objectives, policies, action plan, and timetable to meet those goals, including the process to measure achievement and performance. Section 7 of Act 100 provides detailed reporting requirements. Three copies of the report should be submitted to the Governor pursuant to the Governor's deadline for legislative reports.

28. Submission Requirements and Due Dates.

The following shall be submitted to B&F no later than **September 11, 2015**:
