Subject: Closing FAMS (Federal Award Management System) Records

Please review the attached worksheets that list FAMS award records with a performance period end date and a liquidation date that have ended. It is likely these FAMS records should be closed or updated with award documentation to extend the performance period end date or liquidation date.

I have asked my staff to track the actions taken by departments to review these records. Please take action on this request by January 5, 2018.

If you have any questions, please contact Mark Anderson at mark.k.anderson@hawaii.gov or 586-3035.
