INSTRUCTIONS GOVERNING EXPENDITURE PLANS AND ALLOTMENTS FISCAL YEAR 2019

Instructions for Expenditure Plans and Allotments for FY 19 contained in this document are generally similar to those issued for FY 18.

Each department shall submit the following:

- An operational expenditure plan (OEP) for each appropriation account authorized by Act 49, SLH 2017, as amended by House Bill (H.B.) No. 1900, H.D. 1, S.D. 2, C.D. 1, and a separate narrative page indicating program objectives and activities as related to the OEP.
- 2. A **Form A-19** for each appropriation account from the OEP.
- 3. A Request for Transfer of Funds (**Form A-21**) for all transfers proposed in the department's OEP, as applicable.
- 4. A summary of collective bargaining (CB) allocations by fund, appropriation symbol, act, and Included/Excluded. Totals should be provided by fund. (Form CB)

I. Operational Expenditure Plans

Each department shall submit an initial expenditure plan for each program for which funds have been appropriated pursuant to Act 49, SLH 2017, as amended by H.B. No. 1900, H.D. 1, S.D. 2, C.D. 1. The Department of Budget and Finance (B&F) shall review the expenditure plans and <u>allotment requests shall generally be approved on the basis of such plans</u>. Expenditure plans for specific appropriations are not required.

- A. Expenditure plan submissions shall consist of the following:
 - 1. One copy of the expenditure plan which shows the quarterly outlay of funds for the appropriation account by personal services, other current expenses, equipment, motor vehicles and financing agreements. (See Sample 1.)
 - 2. A separate narrative page indicating program objectives and activities. The initiation of any authorized new programs or the improvement of existing services shall be identified separately in the narrative.

This narrative should include data indicating what is to be done, how much is to be done, and other pertinent information relating to activities in each quarter. Utilize measures of work units wherever possible.

The narrative should support and be consistent with the OEP. B&F may request any supplemental information which it deems necessary to properly review and evaluate departmental plans. (See Sample 2.)

B. Operational Expenditure Plan format

- 1. **Appropriation Column** Show the amounts by cost element in Act 49, SLH 2017, as amended by H.B. No. 1900, H.D. 1, S.D. 2, C.D. 1, and as reflected in your operating budget details.
- 2. **Current Restriction Column** Indicate the portion of departmental restriction assigned to the program. Enter restriction amounts by cost element.
- 3. **Net Transfers** Should reflect the net result of any transfers in or out of the program based on anticipated or approved Form A-21s and transfers between the cost elements in the program. (See Sample 3.) Use plus or minus signs to show the direction of the transfers.
 - The transfers should be reflected only in Columns 3 (net transfers) and 4 (current allocation). Do not show transfers in the appropriation column.
- 4. **Current Allocation** In total, the figures in this column should equal your net allocation, i.e., if all of your department's OEPs were summarized, the allocation column total should equal your net departmental allocation.
 - Any difference between the allocation and planned expenditure program total columns is assumed to be departmental savings or deficits.
- 5. Collective Bargaining Appropriation acts for implementation of CB, including Hawai'i Employer-Union Health Benefits Trust Fund (EUTF), for FY 19 are as follows:

CB allocations to departments:

- Act 22, SLH 2017 Bargaining Units (BU) 2, 8, 9, and 13
- Act 23, SLH 2017 BUs 3 and 4
- Act 24, SLH 2017 BU 5
- Act 25, SLH 2017 BU 6
- Act 27, SLH 2017 BU 11
- Act 2, 1st SpSLH 2017 BU 7
- Act 3, 1st SpSLH 2017 BU 1 and 10
- Act 20, SLH 2018 BU 14

CB allocations to B&F for EUTF only:

- Act 26, SLH 2017 BUs 1, 7, and 10
- Act 28, SLH 2017 BU 14

Enter the allocations from these Acts on Line 2 (CB - All) and Line 5 (Other Cost Items - All), if applicable. It is not necessary to separate the CB amounts by Included and Excluded on the OEP; however, the breakdown by BU and by Included and Excluded must be shown on the back of the full-year A-19.

6. **Financing Agreements** – Enter on Line 3 of the OEP all funds for financing agreements as defined in Executive Memorandum (E.M.) No. 96-17. If the funds were budgeted (i.e., submitted in the budget request process on Tables BK), the amounts should be entered in the Appropriations, Allocation, and in the appropriate fiscal quarter columns. (See Sample 1.)

If the funds for the financing agreement are unbudgeted (i.e., not submitted on Tables BK in the budget process), enter the amount in the Net Transfer column indicating the movement from the appropriate cost element, the Allocation column and the affected fiscal quarter columns. Do not enter the amount in the Appropriation column. (See Sample 3.) A financing agreement may be unbudgeted because: 1) a financing agreement was not anticipated as the vehicle to acquire a budgeted item; or 2) an unbudgeted item is being funded through program savings and is being acquired through a financing agreement.

Regardless of the cost element of the item being acquired through the financing agreement, all amounts should be combined on Line 3 and included in the Total Appropriation lines and on Line 9. Do not include financing agreements on any other line of the OEP.

C. Amended expenditure plans are not required with each revised allotment request unless requested by the B&F analyst assigned to your department. Only initial and fiscal year-end expenditure plans must be submitted.

Circle the line number of each line of data on your amended expenditure plan that has been changed since the last submittal. A change means: 1) a change to any of the amounts on the line; 2) adding data on a line that was previously blank; or 3) deleting an entire line of data. (See Sample 4.)

II. Request for Allotment (Form A-19)

Requirements for the Allotment Request forms are as follows:

 Each department shall request allotment of funds appropriated or authorized by program; by "10" Personal Services or "20" Other Current Expenses (including Financing Agreements); by funds; and by quarters using Request for Allotment (Form A-19). (See Samples 5 and 7.) The breakdowns for Personal Services and Other Current Expenses (including Financing Agreements) must match your department's operating budget (BJ and BK) details, unless transfers were identified in your OEP.

- 2. **Restriction** Enter amount of departmental restriction assigned to program, as applicable, by cost element. The 5% contingency restriction and other allocation adjustments, as applicable, should be broken out separately in the A-19.
- 3. **Financing Agreements** Enter all funds for financing agreements, as defined in E.M. No. 96-17, as a separate line item under Other Current Expenses in the Appropriation and other applicable columns.

Enter unbudgeted financing agreements in the Allocation and applicable quarterly allotment columns; do not enter them in the Appropriation column. See Item B.6 above for an explanation of budgeted and unbudgeted financing agreements.

Do not consolidate these financing agreement line items into the Personal Services or Other Current Expenses lines on subsequent amendments to the A-19.

- 4. Each Form A-19 should reflect a single appropriation account.
- 5. Each allotment form should reflect the proper appropriation Act and year of authorization in the space provided. The program ID associated with each appropriation symbol must be shown on the Form A-19 in the space labeled, "Program I.D."
- 6. Only amounts appropriated or authorized by Act 49, SLH 2017, as amended by H.B. No. 1900, H.D. 1, S.D. 2, C.D. 1, or other specific appropriation Acts are to be reflected in Column 2, "Appropriation."
- 7. Reflect transfers, including CB allocations, separately in Column 4 (Allocation for this Fiscal Year) and the applicable quarterly allotment columns. CB should be identified in Column 1 (Allotment Category Description) as "CB All, Other Salary Adjustments" and "CB All, Other Cost Items." All transfers should be identified as "Trf..."
- 8. Trust, Federal Fund and Other Federal Fund accounts authorized by Act 49, SLH 2017, as amended by H.B. No. 1900, H.D. 1, S.D. 2, C.D. 1, will not be subject to reversion. An "N" should be placed in the reversion column of the Form A-19 for these accounts.
- 9. Upon approval of the expenditure plans and Form A-21s, allotments shall be made for all quarters subject to a quarterly review of the availability of funds.
- 10. The Comptroller shall maintain control over departmental expenditures to ensure that expenditures shall not exceed the amounts allotted and shall not honor vouchers against program appropriations which have not been allotted.

Only trust, federal fund and other federal fund allotments may exceed authorized appropriation levels with Governor's approval. All other funds may be allotted only up to the authorized amounts in Act 49, SLH 2017, as amended by H.B. No. 1900, H.D. 1, S.D. 2, C.D. 1, unless otherwise provided by general law.

- 11. Additional fund authorizations provided in the Appropriations Act or other specific appropriation Acts are to be reflected in Column 4 and the applicable quarterly allotment columns. The description should be identified in Column 1 as "Addt'l. Auth."
- 12. Each type of adjustment must be shown on a separate line when submitting an amended allotment request. Do not combine them into one adjustment item.
 - Subsequent requests should reflect the totals for Personal Services and Other Current Expenses from the latest approved Form A-19.
- 13. Full-year allotment requests must be accompanied by an OEP and any other supplemental information requested by B&F. A Request for Transfer of Funds (Form A-21) may be concurrently submitted, as applicable. All required documentation must be submitted as a unit.
 - Subsequent requests for amended allotments shall be submitted with written justifications on the reverse side of the Form A-19 and any other information as required by B&F. Amended OEPs are not required with amended allotment requests unless requested by the B&F analyst assigned to your department.
- 14. Improperly submitted Form A-19s or incomplete submissions will be returned without action. Departments should consult with the appropriate B&F analyst for further clarification of the reporting format.
- 15. With the exception of the Department of Education and the University of Hawai'i, pursuant to Chapter 37, HRS, all aspects of departmental allotment requests shall be reviewed, evaluated and approved by the Director of Finance to ensure consistency with sound fiscal management practices.
- 16. A Federal Awards Management System Award Record ID number shall be noted on the Request for Allotment (Form A-19) for operating and referenced in the CIP allotment request involving federal funds.
- 17. Policies and procedures regarding the management of federal funds are posted on federalawards.hawaii.gov.

III. Summary of Collective Bargaining Allocation

1. Provide a breakdown of your CB allocations by program ID, by Included and Excluded and by means of financing. (See Sample 8.)

- 2. Prepare a separate table for each means of financing. You may delete columns for Acts which do not apply to your department.
- 3. The appropriation symbol is the account into which the CB funds should be deposited.
