

Target Group – A program size indicator which describes a group of persons or objects to be served in carrying out a program.

TAX – The program identification letter designation for the Department of Taxation.

Tax Expenditure – Revenue reductions resulting from incentives for certain types of private activities, or aid to taxpayers in certain circumstances. These may take the form of tax credits, deductions, exclusions from income, tax deferrals, or special rates of taxation.

Tax Revenues – The amounts collected from compulsory charges, in the form of taxes, levied by the State for the purpose of financing services performed for the common public benefit.

Total State Personal Income – The total State personal income as defined by the State personal income series published by the U.S. Department of Commerce, Social and Economic Statistics Administration, Bureau of Economic Analysis, or its successor, for each year for which such income has been determined and published; for any year for which such income has not been determined or published, it shall mean the total State personal income for such year as estimated by the Council on Revenues.

TRN – The program identification letter designation for the Department of Transportation.

Trust Fund – A fund in which designated persons or classes of persons have a vested beneficial interest or equitable ownership, or which was created, or established by a gift, grant, contribution, devise or bequest that limits the use of the fund to designated objects or purposes.

UOH – The program identification letter designation for the University of Hawaii.
