FINANCE MEMORANDUM

MEMO NO. 20-10

TO: All Department Heads

FROM: Craig K. Hirai /s/  
Director of Finance

SUBJECT: Request for Non-Salary Collective Bargaining Cost Data

The Department of Budget and Finance (B&F) staff prepares estimates for collective bargaining (CB) costs. This data is now being requested to provide sufficient time for departments to prepare, and B&F staff to process the data and still allow for timely evaluation of CB proposals.

Attached for your review are instructions/listing of cost items (Attachment A) and a set of blank CB-1 forms (Excel electronic format is available at <http://budget.hawaii.gov/budget/budget-forms/>). Please comply with the procedures listed in Attachment A and CB-1 forms and return them to B&F, Budget, Program Planning and Management Division, on or before August 7, 2020. Please e-mail an electronic copy of your forms to Mr. Ralph Schultz at [ralph.e.schultz@hawaii.gov](mailto:ralph.e.schultz@hawaii.gov).

Note: Due to the impact of Act 152, SLH 2012, the treatment of most payments other than base salaries to employees are now treated differently for employees hired after June 30, 2012. Because these employees now make up a significant portion of the workforce, a column is included for the percentage of post FY 12 employees for each bargaining unit for each cost item. If an actual breakdown is not available, please estimate the percentage. These percentages are only necessary for items subject to pension accumulation for some employees, such as overtime and differentials (see listing included with instructions).

In order for CB cost estimates to be as accurate as possible and in order for you to receive sufficient CB appropriations, it is vital that cost data be reported accurately. We appreciate your continued cooperation in updating your estimates in a timely manner. If there are any questions, please have your staff contact Mr. Schultz at 586-1841.

Instructions Collective Bargaining Cost Data for the FB 21-23 (Based on Actual FY 20)

Completed Form CB-1 must be submitted in paper and electronic format by the assigned due date.

Form CB-1

A Form CB-1 should be prepared separately for each applicable cost item in accordance with the stipulated unit of measure. The information is requested for FY (actual amounts) by means of financing and by bargaining units on a department-wide basis. Do not submit information by program ID.

Data for appointed and elected officials are again being requested. It is anticipated that information concerning appointed and elected officials will be primarily per diem requirements.

**As of July 1, 2012 new employee's differential payments are not subject to pension accumulation. Please provide the percentage of the total amount for each cost item in the attached listing paid to employees who became ERS members after June 30, 2012.**

It should be noted that each CB-1 comes in three parts; a separate cost item accounting is requested for included bargaining units, excluded bargaining units, and excluded managerial units and appointed and elected officials. Since not all cost items are required for all departments, please complete the attached checklist.

The forms are available for download at: <http://budget.hawaii.gov/budget/budget-forms/>
