Questions on the specific policies and instructions contained in this document should be directed to the Department of Budget and Finance (B&F) through the B&F budget analyst(s) assigned to each department.

1. **Scope and Applicability.** The Governor’s Budget Execution Policies and Instructions shall apply to all means of financing (MOF) appropriated and authorized by the following:

   o Act 5, SLH 2019, as amended by Act 7, SLH 2020, and Act 9, SLH 2020; and including appropriation and position ceiling transfers from other departmental budget acts as approved by the Governor pursuant to Section 44 of Act 5, SLH 2019, as amended by Act 7, SLH 2020, and Act 9, SLH 2020, on June 19, 2019 (to be referred to as “Act 5, SLH 2019, as amended, including transfers”), for operating. A list of approved transfers is attached.

   o Act 40, SLH 2019, as amended by Act 6, SLH 2020, and Act 9, SLH 2020 (to be referred to as “Act 40, SLH 2019, as amended”); and Act 9, SLH 2020, for capital improvement program (CIP) projects.

   o Act 39, SLH 2019, for Chapter 42F, HRS, for CIP grants (FY 20 appropriations).

   o Other specific appropriations authorized for expenditure in FY 20 (retroactively) or FY 21 by the 2020 Legislature or other legislative sessions.
2. **General Statement of Policies.** State agencies shall implement appropriation acts, providing for State government programs in conformance with the purpose of such acts, and shall carry out such purposes efficiently and with due respect for the financial condition of the State and all applicable laws and policies.

   a. Oversight and control shall be executed in accordance with Part II of Chapter 37, HRS; Section 37-74, HRS; and other applicable legislation and statutes.

   b. Departments shall plan program operations and expenditures for the fiscal year at levels necessary to accomplish program goals within the allocation ceilings approved for the departments pursuant to Part II of Chapter 37, HRS (Allotment System).

   
   Total expenditures and total permanent and temporary position ceilings designated for each program in each fiscal year shall not exceed the sums and numbers appropriated or authorized and allocated as provided in Exhibit 1, *FY 2021 Allocation*, except as otherwise provided by law.

   c. Expenditure plans shall be developed within allocated amounts consistent with legislative requirements and Executive priorities. Expenditure plans shall be developed at a later date. When such plans are due, they shall be prepared and submitted to B&F according to Attachment B.

   d. Program reports of affected activities, attainments, and expenditures corresponding to proposed allocations by allotment periods shall be submitted according to Attachment B.

   e. Special fund expenditure plans shall include estimates of transfers to the general fund, as required by Sections 36-27 through 36-30, HRS (or as otherwise provided by law), for the payment of various assessments for special fund central services and departmental administrative expenses. Such assessments should be within allocated appropriations and treated as first charges against the respective funds, unless otherwise specified. Transfers shall be made to the general fund on a quarterly basis.

   f. Programs situated on ceded lands that derive revenues shall comply with Executive Order No. 06-06. Changes in activities on ceded lands and/or changes in the status of ceded lands that result in new revenues are subject to Executive Order No. 06-06. Transfers to the Office of Hawaiian Affairs shall be made on a quarterly basis.

   g. To the extent possible, every effort shall be made to utilize authorized federal and other non-general revenue resources to provide services that meet similar objectives of programs for which State funds are authorized. All such non-general fund expenditures, however, must be within amounts appropriated and allocated, except where otherwise authorized by law (see section on "Federal Funds" in this attachment for further guidelines).
h. All agencies receiving federal funds for operational purposes shall review such operations for possible changes to anticipated federal grants or other federal funding agreements. All departments should exercise caution in establishing, filling, and/or extending federally funded positions. The use of discretionary federal funds for positions is discouraged and should be minimized.

Due to the State’s current fiscal situation, State funds will not be available to replace any reduction in federal funds. Additionally, it should not be assumed that State funds will be made available to qualify for increases in available federal matching funds. Program need and statewide priority must be demonstrated. As future reductions to federal grant awards and other federal funding agreements are highly possible, departments should continue to work with their federal contacts to closely monitor the status of the appropriate federal programs.

Agencies should work with the Hawai‘i State Energy Office (HSEO), attached to the Department of Business, Economic Development and Tourism (DBEDT), to ensure that they are using the most current guidance. Coordination of A.D. No. 06-01 and future directives regarding this matter shall be under the auspices of HSEO, DBEDT.

j. The implementation of program budgets shall be consistent with the overall theme, goals, objectives, and policies of the priority guidelines contained within applicable approved functional plans and as contained within Chapter 226, HRS.

3. **Allocations.**

Departments will receive their respective 1st and 2nd quarter budget allocations for general funds and full-year budget allocations for other than general funds for FY 21 (does not include collective bargaining adjustments).

**Exhibit 1** contains each department’s 1st and 2nd quarter allocation (net allocation) for general funds and full-year allocations for other than general funds, which reflect each department’s FY 21 operating program appropriation (gross allocation) from Act 5, SLH 2019, as amended, including transfers, and other applicable adjustments:
General funds – 50% of the non-discretionary appropriation and $4,000,000 of the discretionary appropriation plus 90% of the balance of the discretionary appropriation (adjusted by a 5% restriction and a 5% contingency restriction).

Other than general funds – 100% of the appropriation.

FY 21 departmental Requests for Allotments (Form A-19) shall reflect 1st and 2nd quarter allocations for general funds and full-year allocations for other than general funds by program ID and MOF and shall reflect amended appropriation amounts, as applicable, pursuant to Act 5, SLH 2019, as amended, including transfers. Be aware that some appropriation amounts may now be less and adjustments to appropriation amounts may be necessary.

4. **Funds Subject to Allotment.** All MOF appropriated or authorized by the Legislature for FY 20 (retroactively) or FY 21 shall be subject to the allotment process as provided by Section 37-33, HRS. Unencumbered allotment balances at the end of each allotment quarter shall revert to the related appropriation account, except for the Department of Education (DOE) pursuant to general law; as otherwise provided by specific statute; pursuant to Section 37-40, HRS; or by procedures specified in Attachment B with respect to trust, federal, and other federal funds.

5. **Allotment of Specific Appropriations and Appropriations for Funds to Private Agencies.**

Specific appropriations and appropriations for funds to private agencies shall be subject to the allotment system. Appropriations not included in Act 5, SLH 2019, as amended, including transfers, are considered specific appropriations. No operating or CIP grants pursuant to Chapter 42F, HRS, were appropriated for FY 21. However, all FY 20 CIP grants pursuant to Chapter 42F, HRS, that were appropriated in Act 39, SLH 2019, are still authorized.

a. Expenditure of specific appropriations shall require the Governor’s approval through B&F.

Operating Requests for Allotment (Form A-19) for specific appropriations may be submitted concurrently with the request to expend for the Governor’s approval to be processed pending the Governor’s approval of the request to expend.

b. All CIP project allotments for Chapter 42F grants and other specific appropriations will be made on a case-by-case basis, subject to the Governor’s approval through B&F. Prior to the submission of any CIP request for allotment, the expending agency or user department (when the user is different from the expending agency) must follow the applicable procedures for CIP implementation under Item 27, as applicable.
c. Requests for the release of CIP grants must include a copy of the grant application and indication of compliance with Chapter 42F, HRS, requirements. Use Form F for all individual CIP grant allotment requests.

d. Section 42F-107, HRS, requires the Executive Branch to give public notice, beginning on the 91st day after the effective date of the legislation, to the recipient of any grant awarded under Chapter 42F, HRS, of the status of a grant that is not yet released until a final determination is made on the status of the grant.

e. Funds to private agencies shall not be allotted if it has been determined that the private agency has not complied with qualifying provisions and procedures of Chapters 9, 42F, 103D, or 103F, HRS, as applicable. Departments should consult with the Department of the Attorney General (AG) on the legal requirements to be fulfilled by grant recipients.

f. Pursuant to Section 42F-103(d), HRS, if a grant is used by an organization for the acquisition of land and the organization subsequently discontinues its activities, repayment to the State for the amount of the grant must be made.

6. **Deficiency Spending Prohibited.** There shall be no expenditure of funds in excess of the amounts appropriated and allotted, nor shall agencies establish positions in excess of the position ceilings authorized in Act 5, SLH 2019, as amended, including transfers, and allocated, unless otherwise provided by specific legislation and as provided elsewhere in these instructions.

   Be aware that funding levels for authorized position ceilings may be insufficient; thus, departments must use discretion to ensure that sustainable funding is available for filled positions.

7. **Lapsing of Funds.** Operating funds appropriated for FY 21 that are not expended or encumbered as of June 30, 2021 shall lapse on that date, except as provided for DOE, federal funds, and other federal funds or as otherwise provided by law. Federal and other federal funds appropriated for FY 21 for operating purposes that are not expended or encumbered as of June 30, 2023 shall lapse on that date.

8. **Delegation by Department Heads.**

   a. As permitted by applicable general laws, department heads may delegate authority to approve certain agreements and contracts (which have been deemed to be within the director's authority) to an appropriately designated deputy, officer, or manager in the director’s respective department. The Comptroller of the Department of Accounting and General Services (DAGS) must be notified of such delegation in writing.

   b. Delegation of procurement authority shall be in accordance with Chapter 103D, HRS; Subchapter 3, Chapter 3-121, Hawai'i Administrative Rules (HAR); and Procurement Delegation Nos. 2010-01, Amendment 1, 2010-02, 2014-01, and...
9. **Federal Funds.** Due to the State’s current fiscal condition, State funds will not be available to replace the loss of any federal funds, nor should it be assumed that State funding will be available to qualify for increases in federal matching funds. Future reductions to federal grant awards and other federal funding agreements are highly possible and departments should continue to work with their federal contacts to closely monitor the status of the appropriate federal programs.

As such, all agencies receiving federal funds for operational purposes shall review such operations for possible changes to anticipated federal grants or other federal funding agreements. All departments should exercise caution in establishing, filling, and/or extending federally funded positions. The use of discretionary federal funds for positions is discouraged and should be minimized.

a. Departments shall use the Sharepoint electronic workflow called the “Federal Awards Forms Workflow” to request the Governor’s approval through B&F to: 1) expend federal funds in excess of levels authorized by the Legislature; or 2) extend the lapse date of federal or other federal fund appropriations and appropriations of other MOF (except general funds) deemed necessary to qualify for federal-aid financing and/or reimbursement pursuant to Sections 18 and 19, respectively, of Act 5, SLH 2019, as amended by Act 7, SLH 2020, and Act 9, SLH 2020 (to be referred to as “Act 5, SLH 2019, as amended”). Departments should refer to Finance Memorandum (F.M.) No. 17-11, “Federal Awards Forms Workflow” for Federal Funds Forms E-1, E-2, E-4, dated August 11, 2017 (https://budget.hawaii.gov/wp-content/uploads/2017/02/FM-17-11-Federal-Awards-Form-Workflow-for-Federal-Fund-Forms-E-1-E-2-E-4.pdf), for more information.

b. All departments are required to notify B&F when a federal award is received within 14 calendar days of receipt. To notify B&F, awardees must enter information about the award into the Federal Awards Management System (FAMS), a feature of Datamart, and upload a PDF copy of the Federal Award Notice to create a FAMS Award Record. The notification requirement will be met after the Award Record is received and approved by B&F. Questions regarding FAMS should be directed to B&F’s Office of Federal Awards Management.

The University of Hawai‘i (UH) is exempt from this notification requirement. All other exemption requests must be made in writing to the Director of Finance. All approved exemption requests will be posted on federalawards.hawaii.gov.
c. Pursuant to **Section 18** of Act 5, SLH 2019, as amended, the Governor’s prior approval is required to: 1) increase a program’s federal fund ceiling as authorized by the Legislature; and 2) expend non-appropriated federal grant funds. Accordingly, all such requests for federal funds shall require the Governor’s prior approval (**Forms E-1 and E-2**, as applicable, on Sharepoint).

d. A FAMS Award Record ID number shall be noted on the Request for Allotment (**Form A-19**) for operating and referenced in the CIP allotment request.

e. Federal Fund Lapsing. Departments with federal or other federal fund appropriations that lapse on June 30, 2021 or later may request the Governor’s approval to extend the lapse date of the federal and matching non-general funds, as necessary, to meet the intent of federal grant awards pursuant to **Section 19** of Act 5, SLH 2019, as amended (**Form E-4** on Sharepoint).

f. Federal Fund Deposits. All federal funds received by departments shall be deposited into the State Treasury, unless otherwise provided by federal funding conditions or specifically exempted from this provision by competent authority acknowledged by the Director of Finance.

g. Recovery of Indirect Costs and Fringe Benefits from Federal Grants and Contracts. State agencies administering federal grants and contracts shall pursue the recovery of indirect costs and fringe benefits. Federal payments shall be deposited into the general fund (use source code 0579 and the department’s alpha code).

h. Policies and procedures regarding the management of federal funds are posted on [federalawards.hawaii.gov](http://federalawards.hawaii.gov).

10. **Special and Revolving Fund Receipts and Expenditures**.

a. All special and revolving funds must have been authorized and appropriated by law to be expended.

b. Authorized and appropriated special and revolving funds can only be expended up to the level of receipts available in such funds.

c. Special and revolving fund expenditures authorized in Act 5, SLH 2019, as amended, including transfers, and other specific appropriations are limited to the amounts appropriated and allocated, except as otherwise provided by law.

d. **Appropriated** special and revolving funds authorized by law to be expended in excess of appropriated amounts shall require the Governor’s prior approval before such expenditures are made. All requests for such expenditures shall be submitted to the Governor through B&F.
11. **Trust Funds.**

a. Pursuant to Section 37-40, HRS, expenditures of trust funds are permitted up to levels of available receipts, except as otherwise provided by law or as limited by the conditions of the trust agreement or fund.

   Section 37-33, HRS, allows the Director of Finance, as required, to prescribe regulations for controlling expenditures and encumbrances of funds that have not been appropriated on a regular basis.

b. Trust funds appropriated in Act 5, SLH 2019, as amended, including transfers, that an agency seeks to expend in excess of appropriation levels shall require the Governor’s prior approval before making such expenditures. All requests for such expenditures shall be submitted to the Governor through B&F.

12. **Reimbursements from Federal or Other Funds.** All federal or other fund reimbursements shall be deposited into the general fund or the appropriate fund account that provided the original advance funding, except as otherwise provided by law. Programs shall ensure that appropriate and correct reimbursements from federal and other funds are made for pension accumulation, Social Security, health insurance, other post-employment benefits, and other fringe benefits. Documentation shall be submitted to B&F as reimbursements are processed.

Expenditure of reimbursements without legislative or statutory authorization or appropriation may be in violation of Sections 37-31 and 37-42, HRS.

13. **Gifts or Private Contributions to Programs.** Where specific special, trust, revolving, or private funds have not been established for such purposes, agencies shall be responsible for demonstrating that such authority is consistent with applicable statutes and appropriate expenditure provisions of the State Constitution. The Governor’s approval is required prior to the receipt and expenditure of such a contribution or gift, unless otherwise provided by law.

14. **Administratively Established Accounts or Funds.** Departments are reminded that pursuant to Section 37-52.5, HRS, a report listing all administratively established accounts or funds and their respective revenues, expenditures, encumbrances, and ending balances is due to the Legislature at least 20 days prior to the convening of each regular session. A copy of this report shall be sent to B&F.

15. **Workforce Control.**

a. **Position Allocation Ceilings.** The number of permanent and temporary full-time equivalent positions, which may be established and filled by each department, shall not exceed the total permanent and temporary position ceilings **allocated in Exhibit 1** to each respective department, by MOF, and the position ceilings provided for project-funded positions in **Item 27.e.** (CIP Staff Services Cost).
b. Establishment and Filling of Positions/Vacancies.

All current and future position vacancies are frozen until further notice.

Exceptions to this general freeze may be granted for exceptional cases where there is an urgent and critical need involving public health and/or safety. The procedure for requesting the Governor’s approval to fill a vacancy is covered in Items b.1 and b.2 below.

All departments should thoroughly assess and evaluate the need to establish and/or fill a position. All department heads are advised to seriously examine and weigh each request to establish and/or fill positions against their departmental budget, the overall fiscal condition of the State, and the value of the services that the position provides to the public along with the need to sustain government services in the long term.

Additionally, departments should exercise caution regarding establishing, filling, and/or extending federally funded positions. The use of discretionary federal funds for positions is discouraged and should be minimized. As future reductions to federal grant awards and other federal funding agreements remain highly possible, departments should not assume that State funds will be available to support program costs that were previously federally funded.

b.1 The Governor’s prior approval through B&F is required for the establishment of positions and the filling of current and future vacancies on an exception basis. This requirement shall apply to:

- All positions, including permanent, temporary, exempt, or CIP-funded.
- All positions included in the budget (Act 5, SLH 2019, as amended, including transfers).
- All positions created by general law or specific legislation which are not included in Act 5, SLH 2019, as amended, including transfers.
- Unauthorized positions that are allowed pursuant to Section 37-74(f), HRS, and Section 42 of Act 5, SLH 2019, as amended. See Item b.6 below.

b.2 Exceptions. The Governor’s approval is not required for the cases listed below.

- Filling and extension of positions that are 100% federally funded, or 100% funded by non-appropriated trust funds. This includes temporary positions established for programs directly addressing the coronavirus (COVID-19) situation that are funded by coronavirus (COVID-19) federal funds.
• Filling of authorized positions supporting the State’s response to COVID-19 in the Departments of Defense (DOD), Health (DOH), and Labor and Industrial Relations.

• Filling of authorized direct instructional (teaching) positions in UH, DOE, and the Charter Schools.

• Filling of authorized positions in the Hawai’i Health Systems Corporation (HHSC).

• Filling of Public Safety correctional facilities and correctional programs staff positions.

• Filling of positions in Child Protective Services.

• Filling of Hawai’i State Hospital staff positions necessary to ensure Department of Justice compliance.

• Filling of Hawai’i Youth Correctional Facility staff positions.

• Establishment and/or filling of authorized exempt DOH positions previously mandated by the Felix or Makin Consent Decrees and are currently necessary to ensure compliance.

• Granting of temporary assignment to existing employees.

• Establishment and filling of positions pursuant to Section 76-16(b), subsections (5), (7), and (16), HRS.

• Filling of civil service positions identified for Reduction-in-Force placements, and/or for placements of disabled employees.

• Filling and/or extensions of positions under blanket authorizations approved by the Governor specifically for FY 21.

b.3 All vacancies permitted to be filled must be funded within currently approved departmental allocations. Funding levels for authorized position ceilings may be insufficient; thus, departments must ensure that funding is sustainable for all filled positions.

b.4 Proposed actions to establish or extend positions that are exempt from civil service pursuant to Section 76-16(b), subsections (2), (12), and (15), HRS, shall require the prior review and approval of the Department of Human Resources Development (DHRD) before submission to the Governor through B&F for approval to fill or extend exempt positions and appointments beyond their not-to-exceed (NTE) dates unless previously delegated to the department.
b.5 DHRD has provided the departments with delegated authority to review and approve civil service exemption for positions established under Section 76-16(b), subsections (3), (10), and (17), HRS. The Governor’s approval is not required for extending these exempt positions and appointments beyond their NTE dates. The delegated authority to approve and extend positions under subsection (3) is applicable as long as the court order or decree is in effect and the positions cannot be filled through normal civil service recruitment procedures.

b.6 Positions not Authorized by the Legislature. Section 37-74(f), HRS, and Section 42 of Act 5, SLH 2019, as amended, prohibit the expenditure of funds, including federal funds, to fill any permanent or temporary position not authorized by the Legislature. This prohibition does not apply to:

- Positions at UH and HHSC;
- Positions entirely federally funded;
- Positions necessary for compliance, without undue delay, with a court order or decree if the Director of Human Resources Development determines that the recruitment through normal civil service procedures would result in delay or noncompliance;
- Positions for special, research, or demonstration projects approved by the Governor;
- Positions approved by the Governor to perform an emergency management function under DOD pursuant to Section 127A-12(b)(9), HRS;
- Casual hire positions;
- Vicing positions;
- Positions established by an agency or department pursuant to explicit statutory authorization to establish such positions; and
- Positions established by an agency or department for a program or project funded by an appropriation in an act other than the general or supplemental appropriations act.

Departments are required to provide a report, with specific details, of each use of the provision to the Legislature and B&F within five days.

Departments are expected to comply with DHRD’s July 14, 2015 memorandum, Criteria, Instructions and Procedures for Special, Research and Demonstration Projects and Positions, and DHRD’s
September 29, 2016 memorandum, Revised Form for Requesting Governor’s Approval for Special, Research or Demonstration Projects/Positions, in establishing such projects and positions pursuant to Act 160, SLH 2015.

b.7 Recruitment Above the Minimum Pay Rate (RAM) and Hire Above the Minimum Pay Rate (HAM). Prior approval from DHRD is required for RAM. The authority to HAM has been delegated to the departments pursuant to DHRD’s September 14, 2011 memorandum, Delegation of Authority for Hiring Above the Minimum Pay Rate for Civil Service Positions. The Governor’s approval is not required.

b.8 Procedures for Approval. Position requests requiring the Governor’s approval through B&F for establishing and/or filling shall be submitted in the attached formats (Form B-2 for unauthorized or exempt positions).

c. Position Variances. Program positions should be of the same position classification described in the BJ details of Act 5, SLH 2019, as amended, including transfers. Any variance from such authorization must be supported by appropriate justification or legislative authorization and must be consistent with policies in A.D. No. 90-13, dated February 5, 1990, and as further provided herein.

c.1 Department heads are delegated the authority to change a position’s classification series (position variance) where the cost difference is no more than 20% above the authorized budgeted amount.

c.2 The Governor’s prior approval through B&F is required for requests to change a position’s classification series where the cost difference exceeds 20% of the authorized budgeted amount.

c.3 Other requests to implement position variances from authorizations in Act 5, SLH 2019, as amended, including transfers, or as authorized in general law or in any other act of the Legislature shall also be submitted to the Governor for review in the manner prescribed above to ensure consistency with program and legislative intent.

c.4 UH, DOE, Charter Schools, Hawai’i State Public Library System (HSPLS), and HHSC are exempt from the provisions of Item 15.c.

d. Other General Provisions.

d.1 Each department shall provide the most efficient and economical use of its workforce.

d.2 Departments shall limit and monitor the use of overtime for each month. Monthly program reports shall be made available to B&F, upon request.
d.3 All positions and personnel-related costs shall be funded within currently approved departmental allocations. Funding for positions shall conform to the MOF indicated in the BJ details.

d.4 Reporting Requirement. Quarterly updates of department vacancies and positions filled shall be submitted to B&F as provided in the Quarterly Staffing Report, Form V (with instructions).

UH, DOE, Charter Schools, HSPLS, and HHSC are exempt from this requirement.

16. **Transfer of Funds and/or Positions.**

a. Unless otherwise provided, **Section 23** of Act 5, SLH 2019, as amended, authorizes, with the Governor’s approval, transfers between operating appropriations within the same fund, within an expending agency, for operating purposes.

a.1 Other provisos in Act 5, SLH 2019, as amended, authorize transfers under certain conditions. To the extent possible, anticipated transfers should be identified in operational expenditure plans and Form A-19s.

a.2 All requests for transfer authorization shall require the Governor’s prior approval through B&F.

a.3 All requests for transfer shall include appropriate references to authorizing sections or statutes.

a.4 See Item 24, “Allotment Balances/Transfer of Funds,” for other allotment limitations.

a.5 Pursuant to Section 37-74(d)(2) and (3), HRS, specific transfer authority and responsibilities have been delegated to UH, DOE, Charter Schools, and HHSC (special funds).

b. **Section 24** of Act 5, SLH 2019, as amended, allows the transfer of positions within a department or agency, provided: total position ceiling allocations are not exceeded; there is no change in the authorized MOF of the position count; and such transfers do not conflict with or circumvent other related laws.

b.1 All requests for transfer authorization shall require the Governor’s prior approval through B&F.

b.2 Transfer requests shall include appropriate references to authorizing sections or statutes.

b.3 See Item 24, “Allotment Balances/Transfer of Funds,” for other allotment limitations.
b.4 Proposed and actual transfers of vacant positions should be identified in the quarterly staffing report.

b.5 HHSC (special-funded positions), UH, DOE, and Charter Schools are exempt from these provisions where specific transfer authority and responsibilities have been delegated to those agencies by general law.

17. **Contracts.**

    a. All contractual funding agreements are contingent on the availability of funds. Departments should exercise caution in entering into contracts with funding obligations that extend beyond the fiscal year.

    b. Unless otherwise provided by law, procurement of all approved goods, services, and construction, including the purchase of health and human services, shall comply with applicable provisions of Chapter 103D, HRS, and Chapters 3-120 to 3-132, HAR, or Chapter 103F, HRS, and Chapters 3-140 to 3-149, HAR; SPO procurement circulars and directives; guidelines and directives issued by the AG and DAGS, as applicable; and any other pertinent requirements of statute, regulation, rule, order, or other directive.

    c. **Financing Agreements**

    c.2 Approval of the Director of Finance and the AG must be obtained prior to implementation of financing agreements subject to Chapter 37D, HRS (for either CIP or operating costs, regardless of amount or MOF).

    c.3 The sale, assignment, refinancing, or other disposition of any lease subject to Chapter 37D, HRS (including certificates of participation), shall require the prior approval of the Director of Finance.

    c.4 UH and HHSC shall comply with the provisions of Section 37D-2, HRS, as applicable.

    d. **Staffing by Contracts (all MOF)**

        These personal services contracts provide:
• Services of an advisory nature relating to the functions of agency administration and management or program management; or

• Persons and/or organizations that are considered to have knowledge and special abilities not generally available within the agency; or

• Delivery of completed work, product, or services by or during a specified time.

Requests for these types of contracts require the Governor’s approval through B&F and compliance with DHRD’s and DAGS’ requirements for contractual services. Departments are advised to contact DHRD and DAGS to obtain the latest applicable procedures relating to the approval process.

Exceptions. Authority is delegated to department heads to approve the expenditures listed below (unless applicable to “financing agreements”).

Departments shall submit listings of all budgeted recurring routine expenditures to be authorized under Items d.11 through d.13 by September 30, 2020 (Form BRR). Compliance with DHRD’s and DAGS’ requirements for contractual services must still be fulfilled. Departments should also consult with the AG and SPO on other applicable requirements concerning contract amendments.

d.1 Contracts that are 100% federally funded.

d.2 Initial requests where total estimated costs will be less than $100,000.

d.3 Amendment to an existing contract where the original cost is less than $100,000 if the amendment results in the total cost (original contract plus all amendments) remaining less than $100,000.

Amendment to an existing contract where the original cost was $100,000 or more if the existing contract was approved by the Governor and the amendment does not exceed 10% of the cost of the original contract and $100,000. Multiple contract amendments shall not exceed 10% of the cost of the original contract and $100,000 in total.

d.4 Non-cost amendment to an existing contract.

To be approved for Federal Emergency Management Agency (FEMA) reimbursement, states and counties must procure in compliance with the specific requirements of Federal Code: 2CFR200, which became effective December 26, 2014. For information about requirements for FEMA reimbursements, go to DAGS’ SPO website: [http://spo.hawaii.gov](http://spo.hawaii.gov) (click on the News and Events Banner for the Disaster Preparedness and Response Procurement link, then FEMA Reimbursement).
23. **Request for Allotment of Funds (Operating).**

a. Within departmental fund allocations, department heads may implement legislatively authorized programs authorized under Part II of Act 5, SLH 2019, as amended, including transfers, or in other specific appropriation acts, or which are consistent with program budgeting guidelines and objectives pursuant to Section 37-74, HRS.

b. Appropriations from Act 5, SLH 2019, as amended, including transfers, are subject to the provisions of Act 5, SLH 2019, as amended, and other appropriation acts, as applicable. Transferred appropriations and position ceilings are also subject to the provisions of the original departmental appropriation act from which they were transferred.

c. Appropriations to be used for the initiation of authorized new programs or for the improvement of existing services, which are consistent with Section 37-74, HRS, shall be reflected in the operational expenditure plan where these items shall be separately identified in the narrative portion of the expenditure plan. All authorized new programs or improvements to existing programs that are planned for implementation by the agency must be within allocation ceilings and supported by appropriate evaluations or justifications.

d. Program appropriations authorized under Part II of Act 5, SLH 2019, as amended, including transfers, or in other specific appropriation measures that are not planned for implementation in the fiscal year shall be reflected in the “Estimated Balance” column on the Request for Allotment (Form A-19) (see Attachment B for guidelines and procedures).

e. Full-year program operational expenditure plans and Form A-19s shall reflect accounts by “10” (payroll) and “20” (others) and must be consistent with the updated BJ details of Act 5, SLH 2019, as amended, including transfers, or the provisions of the authorizing specific appropriation, as applicable.

24. **Allotment Balances/Transfer of Funds.** Requests for Allotment (Form A-19) and Requests for Transfer of Funds (Form A-21) shall be used, as appropriate, for adjustments of program allotment accounts. As applicable, agency requests for the transfer of funds shall be submitted to the Governor for approval through B&F. All such requests must be accompanied by a written justification stating the nature and reasons for the transfer, including its legal basis. Unless otherwise provided by other specific provisos in Act 5, SLH 2019, as amended, Section 23 limits such transfers to operating funds between appropriations within the same fund, within an expending agency.

a. Requests for Transfer of Funds (Form A-21) shall be identified in the full-year expenditure plans.
b. Provisions of this section shall apply to transfers made under Section 23 cited above and to any transfer of funding between any agency or program authorized in Act 5, SLH 2019, as amended, including transfers, regardless of MOF, except for: UH, DOE, Charter Schools, and special fund appropriation transfers in HHSC, as authorized by general law.

c. Pursuant to Section 12 of Act 5, SLH 2019, as amended, expenditures for programs to cope with natural disasters or other unforeseen emergencies shall be made only with a formal declaration of a natural disaster or emergency by the Governor.

25. **Transfer of Vacation Credits.** Pursuant to Section 78-23(b), HRS, transfer of funds representing accumulated vacation credits shall be made only when an employee is transferred between government jurisdictions as defined by Sections 78-1.5 and 76-11, HRS, or between positions within the same jurisdiction that are financed by different funds. Transfer of vacation funds shall not be made when the employee transfers between positions within the same jurisdiction and if the transferred employee’s salary is to be paid from the same fund. The transfer of vacation funds can be reversed if the employee returns to his or her original position within the same fiscal year. Vacation transfer funds are considered to be realizations to the general fund or the respective non-general fund.

26. **Reimbursement for Vacation Payouts.** Pursuant to Section 8 of Act 5, SLH 2019, as amended, the Legislature appropriated $9,700,000 for FY 21 to B&F to reimburse departments for vacation payouts made for general-funded employees who have left the Executive Branch of the State of Hawai‘i. B&F appropriation account G-21-013-O has been established for the purposes of vacation payout reimbursements for vacation paid to employees in general-funded budgeted positions (reimbursements for split-funded positions should be made for only the general-funded portion).

Reimbursements will be made on a first come, first served basis. Any additional expenses incurred above $9,700,000 will be the responsibility of the individual departments and agencies.

A monthly report indicating the use of this appropriation shall be submitted to the B&F budget analyst assigned to your department within 10 days of the end of the preceding month. Departments should refer to F.M. No. 19-10, *Vacation Payout Account for General Fund Employees*, for the report format and other specific instructions.

Public-Private Partnership Arrangements and Other Transactions, dated July 24, 2019. In addition, the following updated and/or amended guidelines shall also apply:

a. CIP projects described in Section 4 of Act 40, SLH 2019, as amended, have been inputted into eCIP. Project information should have already been completed by your department. However, project information for CIP projects from Act 9, SLH 2020, cannot be input into eCIP and must be provided on Table P, Q, and R for Act 9, SLH 2020 (Excel format).

b. Except as specifically authorized by legislative proviso, MOF authorized for CIP projects described in Section 4 of Act 40, SLH 2019, as amended, may not be changed or substituted by other MOF or by funding appropriated for other cost categories without legislative amendment or as otherwise provided by law.

c. Expenditure Plans. Departments with CIP appropriations in Act 40, SLH 2019, as amended, shall submit CIP expenditure plans for FY 21 (Form CEP) for those appropriations by September 30, 2020.

c.1 The expenditure plans will serve as guidance for reviewing requests for allotments, CIP-related contracts, etc.

c.2 Requests for the allotment of critical projects may be submitted before the due date for expenditure plans.

c.3 Departments with CIP projects funded by special funds, G.O. bond funds with debt service costs to be paid from special funds, revenue bond funds, or revolving funds shall submit projected six-year financial plans for the respective fund responsible for cash or debt payments to B&F with their CIP expenditure plans.

c.4 Departments may substitute any internally used expenditure plans in lieu of Form CEP.

d. CIP Allotment Procedures. The following shall be observed for requests to allot funds.

d.1 All allotment requests must be consistent with the departmental CIP expenditure and appropriate financial plans.

d.2 Allotment requests may include more than one phase if supported with adequate justification.

d.3 Allotment requests shall be submitted for the Governor's approval through B&F.
d.4 Allotment requests for projects which require the use of budget provisos should include appropriate references to the proviso sections to be used in the “Subject” line of the request (e.g., “... as authorized by Act 40, SLH 2019, as amended by Acts 7 and 9, SLH 2020, Item X.01, and Section XXX,” where “Section XXX” refers to the proviso section) and should indicate the intended use of the provisos in the body of the request.

d.5 Allotment requests for tax-exempt revenue bonds shall indicate if the proposed expenditure of the tax-exempt bond proceeds is compliant with the Internal Revenue Code (IRC).

d.6 CIP appropriations in Act 39, SLH 2020; Act 40, SLH 2019, as amended; and Act 9, SLH 2020, have been appropriated as lump sum appropriations and do not have cost element (e.g., plans, design, construction, etc.) appropriations. Thus, each lump sum appropriation must be transferred to the respective cost element accounts before it can be allotted.

The amount to be allotted for a specific cost element must be transferred out (transaction code 473) from the lump sum account and transferred in (transaction code 474) to the cost element account before it can be allotted (transaction code 531) from the cost element account. Appropriation symbols for cost elements indicated in the project description for projects in Act 39, SLH 2020, and Act 40, SLH 2019, as amended, and Act 9, SLH 2020, have been assigned by DAGS’ Uniform Accounting and Reporting Branch (UARB).

d.7 New appropriation symbols, such as the symbol for delegation requests, shall be requested from DAGS’ UARB in writing. The appropriation symbols shall be typed on the Allotment Advice (AA) (Form A-15) prior to submitting the request.

d.8 AA numbers will be assigned by B&F upon receipt of the request. Do not fill the anticipated date of the Governor’s approval.

d.9 Requests to allot and expend authorized CIP grants must contain all appropriate supporting documents, including the grant application and indication of compliance with Chapter 42F, HRS, requirements. Departments should consult with the AG on the legal requirements to be fulfilled by grant recipients. Use Form F to request the allotment of CIP grants. Table R Grants (Excel format) should be attached to the request and should not be prepared in eCIP.

d.10 Requests for advance draw-downs of CIP funds by third-party project managers is prohibited. Disbursement of funds shall be made only upon actual completion of work.

d.11 Clarification on awarding a construction contract when the low bid is higher than the basic bid estimate and available appropriation:
-27-

- If the low bid is higher than the basic bid estimate but funds are available within the construction allotment (e.g., contingency) with no intent to request the release of additional construction funds, departments are allowed to award the construction contract.

- If the low bid is higher than the basic bid estimate and available appropriation, departments are not to award the construction contract and must notify the Governor to recommend suitable funding alternatives.

d.12 Guidance regarding transfers to the Works of Art Special Fund pursuant to Section 103-8.5, HRS, will be issued under separate cover.

e. **CIP Staff Services Cost.** All agencies with an authorized project-funded staff ceiling shall be funded via a separate appropriation in the budget identified for staff services only. The separate appropriation will be used only for staff salary related costs (e.g., overtime) and fringe benefits. Approved project-funded staff ceilings are as follows:

   DOT Harbors Division       18 positions
   DOT Airports Division      35 positions

f. **Grants.** Upon the Governor’s approval to expend, the following procedures shall apply to all CIP appropriations to private organizations:

   f.1 The expending agency shall enter into a contract with the private organization as required by Chapter 42F, HRS. The contract shall provide that the State be reimbursed a pro rata share of the facility costs (monetary or pro rata share of the facility) should the private organization cease to satisfy the specified public purpose.

   f.2 The executed contract must be submitted to DAGS’ Pre-Audit Branch and will be used to encumber allotted funds.

   f.3 The private organization should request payment through the expending agency as work progresses on the project.

   f.4 Request for the allotment of grants funded with G.O. bond funds shall be made only after the recipient organization has obtained commitments from all other funding sources for the project.

   f.5 State funds will be disbursed to the private organization by DAGS’ warrant vouchers from expending agencies, with supporting documentation of work completed.

   f.6 The expending agency shall monitor compliance with Chapter 42F, HRS, and the public purpose and legislative intent of the grant.
g. **CIP Lapsing.** All funding for CIP described in **Section 4** of Act 40, SLH 2019, as amended, and **Section 11** of Act 9, SLH 2020, that are unencumbered as of June 30, 2022 shall lapse as of that date. However, this lapsing date does not apply to non-general fund authorizations that are denoted as necessary to qualify for federal-aid financing and reimbursement; those that have been so designated by the Legislature and are unencumbered as of June 30, 2026 shall lapse as of that date.

Departments with federal or other federal fund appropriations that lapse on June 30, 2021 or later may request the Governor’s approval to extend the lapse date of the federal and matching non-general funds, as necessary, to meet the intent of federal grant awards pursuant to the provisions of the appropriate budget act. Appropriations from Act 40, SLH 2019, as amended, may be extended pursuant to **Section 33** of Act 40, SLH 2019, as amended **(Form E-4 on Sharepoint).**

h. **Private Activity Uses of Bonds (PAB).**

In order for G.O. and/or G.O. Reimbursable (G.O.R.) bonds to qualify for federal tax exemptions, the IRC requires that bond proceeds be used only for governmental purposes. Non-governmental (i.e., private activity uses) purposes do not meet IRC requirements in most situations. To better track the use (governmental versus non-governmental) of projects financed by G.O. and G.O.R. bond proceeds, expending agencies undertaking G.O. and G.O.R. bond-funded projects are responsible for monitoring project use and reporting to B&F at certain stages of the project. Departments should refer to F.M. No. 19-09, *General Obligation Tax-Exempt Bonds, Private Use of Bond Proceeds and Bond-Financed Facilities, Public-Private Partnership Arrangements and Other Transactions*, dated July 24, 2019, for further guidance.

**Form PAB** must be completed for every project funded by G.O. or G.O.R. bonds and must be submitted as follows:

1. At initial request for allotment/release of G.O. or G.O.R. bond funding for project planning and/or design;

2. At subsequent request(s) for allotment/release of G.O. or G.O.R. bond funding for project land acquisition, construction, and/or equipment; and

3. Upon completion and acceptance of the project.

For each submittal, **Form PAB** shall be reviewed and updated, if necessary, and shall reflect a current date and signature.

If the use of a project changes at any time to include non-governmental purposes, departments are required to report the changes by updating the
Form PAB for the project and submitting the updated form to B&F. This would include changes in use of the project that have occurred subsequent to its completion for the life of the bond.

Projects funded with G.O. or G.O.R. bonds that do not have the Form PAB submitted along with the request will be returned without action.

28. **Operating Program Reports.**

a. Quarterly staffing reports (Form V) shall be submitted to B&F no later than 14 days after the end of each quarter.

b. Quarterly reports for DOE and UH shall be submitted as provided by general law or as provided herein.

29. **Other Administrative Reporting Requirements.**

a. Programs that have changes in revenues shall report such changes in the quarterly updates of revenue estimates (eRev).

b. Program and departmental responses to provisos in Act 5, SLH 2019, as amended: Act 39, SLH 2019; Act 40, SLH 2019, as amended; and other appropriation acts requiring the development, performance, completion, or reporting of studies, reports, findings, evaluations, updates, notifications, and plans to the Legislature or appropriate authority shall follow requirements of the proviso. Appropriations from Act 5, SLH 2019, as amended, including transfers, are subject to the provisions of Act 5, SLH 2019, as amended, and other appropriation acts, as applicable. Transferred appropriations and position ceilings are also subject to the provisions of the original departmental appropriation act from which they were transferred.

c. Act 100, SLH 1999, requires every department to develop and submit a report on the department’s goals and objectives, policies, action plan, and timetable to meet those goals, including the process to measure achievement and performance. Section 7 of Act 100, SLH 1999, provides detailed reporting requirements. Three copies of the report should be submitted to the Governor pursuant to the Governor’s deadline for legislative reports.

30. **Submission Requirements and Due Dates.**

   - Request for Allotment (Form A-19)
   - Request for Transfer of Funds (Form A-21), as applicable

   Note: Operational Expenditure Plans are not due at this time.

Form F (9/2020)

(Date)

TO: The Honorable David Y. Ige
    Governor of Hawaii

THRU: Craig K. Hirai
       Director of Finance

FROM: (Department Head, Title)
       (Department)

SUBJECT: Request to Allot and Expend a CIP Grant Pursuant to Chapter 42F, HRS

1. Program I.D. and Title:

2. Expending Agency (if other than above):

3. Recipient Agency and Brief Description:
   (Describe what the recipient agency does and whether it has been determined by the expending agency to meet the conditions of Section 42F-103, HRS, Standards for the award of grants and subsidies.)

4. Amount of Grant: $_______________ for FY _____
   Means of Financing: _______
   Act ___, SLH ___, Section/Item No. ______ (as applicable)

5. Description of project:
   (Describe, as applicable (non-applicable sections may be deleted):
   
a. The specific use of the funds by the recipient. For example, the funds might be used for the design and construction a new dining hall for the families served by the XYZ foundation (recipient organization).)
b. The overall CIP project (include where the project would be located, i.e., whether on private property or government property), the intended target group, and the actual number of persons to be served by the completed project. For example, a community based home for the developmentally disabled (DD) would theoretically serve the entire DD population; however, the project itself would provide 8 beds to accommodate only 8 DD individuals.

c. What are the measurable results expected from the grant at the end of the grant period?

d. Does or will the recipient have site control of the location of the CIP project? Does or will the recipient own the land and/or the facility, as applicable?

6. Public purpose:

(Describe, as applicable (non-applicable sections may be deleted):

a. The program objective of the department that the grant supports; if the activities provided by the recipient do not support the objective of the program to which funds were appropriated or any other program of the expending department, include a discussion on which program/department may have been more appropriate.

b. The CIP improvements for which the grant will be used and how improvements will benefit the community.

c. A Form PAB should be filled out and attached to the request to release CIP funds. Are there any issues identified as a result of the information provided on the Form PAB?)

7. Funding:

(Describe, as applicable (non-applicable sections may be deleted) : 

a. What portion (plans, design, construction, equipment) of the overall CIP project will be funded by the requested release?
b. Is the CIP grant intended to purchase land?
   - If yes, how are the conditions contained in Section 42F-103(d) being met?

c. If the CIP grant only provides planning/design funds:
   - What is the total cost of construction and how will the construction phase be funded?
   - Is there a commitment of non-State grant funds to cover construction costs?
   - If no, what is the potential request to the State for grant funds to cover construction costs?

d. Has the recipient received Chapter 42F grants for any other CIP project? If yes, list the projects (include a description), the amounts by appropriation act/year, whether the funds were expended, and list any project that was completed using CIP grant funds in whole or in part.

e. What is the total cost of the CIP project for which the recipient intends to use the grant? Include all funding sources, such as federal funds, private contributions, etc., and indicate the respective amount of the total cost that each funding source will support.

   If other funding sources have been identified, indicate funds which have already been received to support the project. Indicate if other funding sources, which have not yet been received, have been guaranteed and are sustainable.

f. If this is to fund an ongoing CIP project, for how many fiscal years has the recipient been receiving grants for the CIP project? List the amounts released by prior appropriation act/year and means of financing.

g. If the grant is to provide the State’s matching portion of a CIP project, are the funds to be matched guaranteed?

h. Was (or will) a grant request (be) submitted to the 2021 (or 2022) Legislature to continue to provide funding for the same CIP project as this request to release grant funds? If yes, briefly describe the request.

i. What is the organization doing to become self-sufficient (i.e., manage without Chapter 42F grants)?)
The Department of the Attorney General has been consulted on the legal requirements to be fulfilled by the grant recipient and has indicated that the grant recipient meets the conditions of Chapter 42F, HRS.

Upon review, this department has determined that the recipient is qualified to be awarded a grant pursuant to the provisions of Section 42F-103, HRS, standards for the award of grants and subsidies.

Attached is a copy of the grant application and other applicable documents. *(Note: the allotment advice (Form A-15), Form PAB and Table R Grants must also be included.)*
