

THE PROGRAM STRUCTURE

INTRODUCTION TO THE PROGRAM STRUCTURE

The program structure is a hierarchical, objective-oriented organization of programs and was designed to categorize meaningfully all State programs in accordance with the objectives and sub-objectives which they serve.

The information in this document is presented in the order of the program structure. Therefore, an understanding of the program structure is necessary in order to locate a specific program in this document.

Program Structure Numbers

There are 11 major State program areas that correspond with the 11 primary objectives of State Government. They are identified as "Level I programs," and each is assigned a unique two-digit number as follows:

01	Economic Development
02	Employment
03	Transportation Facilities and Services
04	Environmental Protection
05	Health
06	Social Services
07	Formal Education
08	Culture and Recreation
09	Public Safety
10	Individual Rights
11	Government-Wide Support

Within each of these 11 major programs is a hierarchical structure of subordinate programs grouped into levels upon which meaningful resource allocation decisions can be made. In most cases, this has meant a breakdown to four or five levels within each major program. Each level of this hierarchy is also identified by a two-digit number. Hence, a Level II program may carry the number 02 or 03, and so may a Level III program. As a result, every program at every level in the structure can be identified by a unique combination of two-digit numbers.

For example, the program entitled "Agriculture" is identified by the number 01 03, where 01 stands for the Level I program, Economic Development, and 03 stands for the Agriculture program at Level II. Similarly, the program entitled "Financial Assistance for Agriculture," a third level program, is identified by the number 01 03 01, where 01 is the Level I "Economic Development" program; 03 is the Level II "Agriculture" program; and 01 is the Level III "Financial Assistance for Agriculture" program.

In order to locate information regarding a specific program in the Executive Budget documents, it is necessary to know the program structure number of that program. All information is organized sequentially by program structure number. For example, all programs with numbers commencing with 04 follow those with numbers commencing with 03. Similarly, the program with the number 06 01 comes before 06 02; 06 01 02 comes before 06 01 03; and so on.

Part I of this section displays the State's Program Structure and the Program Structure Numbers.

Program ID Numbers

In addition to the program structure numbers described above, each lowest level program in the structure has a "Program ID" number. This number is used to indicate the department of the State Government in which the particular lowest level program is organizationally administered. The number actually consists of three letters and three digits. The letters identify the department, and the digits identify the program. For example, the program ID number HTH 501 indicates that the program is organizationally administered by the Department of Health; the digits 501 are unique to that program in the department.

The following departmental letter designations have been assigned:

AGR	Department of Agriculture
AGS	Department of Accounting and General Services
ATG	Department of the Attorney General
BED	Department of Business, Economic Development & Tourism
BUF	Department of Budget and Finance
CCA	Department of Commerce and Consumer Affairs
DEF	Department of Defense
EDN	Department of Education
GOV	Office of the Governor
HHL	Department of Hawaiian Home Lands
HMS	Department of Human Services
HRD	Department of Human Resources Development
HTH	Department of Health
LBR	Department of Labor and Industrial Relations
LNR	Department of Land and Natural Resources
LTG	Office of the Lieutenant Governor
PSD	Department of Public Safety
SUB	(This designation is for state subsidies not associated with a department.)
TAX	Department of Taxation
TRN	Department of Transportation
UOH	University of Hawaii

Part II of this section lists the program ID numbers in alphabetic order followed by the program structure number and program titles. This listing serves as a guide in cases where the program structure number is not immediately known. By knowing which department administers the program, reference can be made to this listing to identify the assigned program structure number.
