You may enroll yourself and your children under age 26. You may not enroll your spouse, domestic partner or civil union partner.

EUTF’s Mission: We care for the health and well-being of our beneficiaries by striving to provide quality benefit plans that are affordable, reliable, and meet their changing needs. We provide informed service that is excellent, courteous, and compassionate.
Q5. **How much will I pay for my coverage under the EUTF plans for part-time and temporary employees?**

Yes. There may be other coverage options for you and your family through a commercial marketplace (such as through HMSA or Kaiser directly), the federal Health Insurance Marketplace ([www.healthcare.gov](http://www.healthcare.gov)), Medicare, Medicaid, or other group health plan coverage options (such as a spouse’s plan). Some of these options may cost less than the premiums listed in Q5.

No. If you enroll, you will be required to pay the full premium listed above in Q5.

Q8. **What are the benefits for each plan option under the EUTF plans for part-time and temporary employees?**

Attached is a summary of the benefits for each plan option. You may visit each carrier’s website for more detailed information or call their customer call center. See Q15 for their website addresses and customer call center phone numbers.

Q9. **Do the EUTF plans for part-time and temporary employees constitute “Minimum Essential Coverage,” under the standards set by the federal Affordable Care Act?**

Q10. **Will dental and vision coverage be offered?**

Q11. When are the enrollment forms due and when is the coverage effective?

Your enrollment form and payment must be received by HMSA or Kaiser within 30 days of your date of hire. For enrollment forms and payments received by the 10th of the month, coverage will begin the first of the following month. For enrollment forms and payment received after the 10th of the month, coverage will begin the first day of the second following month.

Example: Employee hired June 1st and sends HMSA or Kaiser the enrollment form and payment by June 9th, coverage begins on July 1st. Or, employee hired June 1st and sends HMSA or Kaiser the enrollment form on June 21st, coverage begins on August 1st.

Q12. When will my eligibility for coverage end under the EUTF plan for part-time and temporary employees?

Your eligibility for coverage will end on the last day of the month when either 1) your State or county employment ends or 2) you move into a State or county position that allows you to enroll in one of the EUTF plans for full-time employees. Contact HMSA or Kaiser right away to terminate your coverage when your part-time/temporary employment ends.

Q13. If I am serving an 89-day appointment and I have a one-day break in service and am re-hired into another 89-day appointment by the same employer or another State or county employer, must I terminate my coverage?

No. You must notify your carrier to terminate your coverage when you are no longer working in any State or county part-time or temporary employment. If you are hired into a State or county position that makes you eligible for EUTF’s health plans for full-time employees, you must terminate your coverage in the plan for part-time and temporary employees (and you may enroll in one of the EUTF health plans for full-time employees at that time).
