Program Title: QUALITY AND PRICE ASSURANCE

A. Program Objective

To assist in the development of the agricultural industries through quality assurance of agricultural commodities; licensing dealers of agricultural products; and producer price and quota control to maintain stability within the dairy industry.

B. Description of Request

1. Converts 6.50 temporary Agricultural Commodities Aid (ACA) positions and \$420,151 in Certification Services Revolving Funds to 6.50 permanent positions and \$275,160 in general funds for FY 25.

2. Reduces 1.00 unfunded permanent Agricultural Commodities Marketing Specialist (ACMS) position and 1.00 unfunded permanent Office Assistant position.

C. Reasons for Request

1. Changing the funding for ACA positions from revolving funds to general funds and making the positions permanent would allow the Commodities Branch (CB) to hire and retain well qualified ACAs to provide for the needs of the seed, coffee, and papaya industries. The ACAs will provide support to ACMS' during the growing off-season by performing general clerical duties, data entry, assisting with the monitoring of imported eggs, licensing, and inspection of various agricultural commodities. This would give CB flexibility and efficiency in the use limited available manpower. Fee increases to retain staff year-round were considered, but would have severely impacted small coffee and papaya farmers.

Program Title: AGRICULTURAL DEVELOPMENT AND MARKETING

A. Program Objective

To promote the economic viability of commercial agriculture by sponsoring joint marketing programs for agricultural products with high revenue growth potential and for food crops to meet local demand; facilitate the development and expansion of marketing opportunities for targeted agricultural and processed products; and provide timely, accurate, and useful statistics.

B. Description of Request

Adds \$720,000 in general funds for FY 25 for the Farm to Foodbank Program.

C. Reasons for Request

The Farm to Foodbank program will seek to contract food banks across the State to purchase local produce on long term contracts to allow growth of the sector, or with emergency purchases to reduce glut circumstances which reduces farmer viability due to oversupply from natural causes. This also creates better equity, allowing people experiencing food insecurity to also access, fresh, nutritious, and locally grown produce.

None.

B. Description of Request

Operating requests include:

1. Adds \$1,000,000 in general funds for FY 25 for the DA BUX Program.
2. Adds \$45,216 in general funds for FY 25 to restore funding for an unfunded permanent Account Clerk position for the Fiscal Section.
3. Reduces 1.00 permanent Program Specialist and \$71,016 in trust funds.

Capital Improvement Project requests include:

4. Adds \$6,000,000 in general obligation bond funds for FY 25 for tar deposit remediation for Halawa Animal Quarantine Station, Oahu.
