FINANCE MEMORANDUM

MEMO NO. 25-03

TO: All Department Heads

FROM: Luis P. Salaveria /s/
Director of Finance

SUBJECT: Survey of Federal Grant, Loan and Other Financial Assistance Programs

Although a federal judge blocked the federal funding freeze, there remains heightened uncertainty for federally-funded programs. The United States Congress must pass a budget resolution through the end of the federal fiscal year as the current continuing resolution expires March 14, 2025.

We are conducting a survey of federal awards that each State agency has received or anticipates receiving in FY 25. This initial survey of federal grant, loan and other financial assistance programs will include federal awards budgeted in FY 25 as means of financing (MOF) "N" (see attached list). Later, a survey of other federal awards (i.e., MOF "P") will be conducted.

This survey requests basic grant information along with impact statements regarding possible reductions and disruptions in funding. This exercise is essential for gathering information which will serve as a reference point if federal funding is lost suddenly or phased out systematically.

We urge you to keep in contact with your federal counterparts for updated information. It is imperative that departments stay current with federal awards to the extent possible, including:

- Uploading all federal award information to the State's Federal Award Management System (FAMS).
- Updating all FAMS records, including status of award.
- Drawing down federal funds.

Departments should also continue to report issues to this department at DBF.federal.impact@hawaii.gov to receive priority responses.

The Federal Fund Survey (Form FFS) Excel file reflecting your department's federal grants (MOF "N") for FY 25 will be emailed by your budget analyst. Your department's survey response, with transmittal memorandum, should be sent in PDF format from your department's designated email account to this department at DBF.DOCS@hawaii.gov and transmit.docs@hawaii.gov by Friday, February 28, 2025. The completed Form FFS Excel file reflecting your submittal should be emailed to your budget analyst thereafter.

Please identify a contact person to be designated for your department. Please send the name, email address and phone number of your designated contact person to DBF.federal.impact@hawaii.gov by Tuesday, February 18, 2025.

Further guidance will be provided as more information becomes available. Your prompt attention to this matter is appreciated.
