C. Reasons for Request

1 and 2. Act 250 incorrectly reduced 2.00 permanent and 1.00 temporary positions and funding in TAX 107/AC that were instead budgeted in TAX 105/BA and TAX 107/AA, resulting in negative position counts and salary amounts. The department is requesting corrective action by reducing and adding position counts and funding in the correct places. This request corresponds to PNs. 11647E and 11797E in TAX 107/AC.

3 and 4. In the FB 2025-27 Executive Budget Request, these 6.00 permanent positions were erroneously requested in TAX 107/AC. The department is requesting corrective action by transferring the 6.00 positions and funding to TAX 107/AA.

5 and 6. Act 250 incorrectly added funds for TSM to TAX 107/AA. The department is requesting corrective action by transferring the TSM funding from TAX 107/AA to TAX 107/AC.

7 and 8. With the Governor's approval, this position has been re-described from Office Assistant IV to Information Specialist IV and transferred from the Tax Research and Planning Office to the Director's Office. The unfunded position will be funded with a \$64,428 salary using other personal services in TAX 107/AA. The department is requesting to reflect these changes in the budget.

9 and 10. The transfer of \$33,904 from TAX 107/AC's other personal services will zero out the negative payroll adjustment in TAX 107/AD's other personal services.

11. Act 250 appropriates \$200,000 for the TRC in FY 26 to enter into contracts with consultants and engage employees as necessary to perform its duties; however, the TRC doesn't currently have any members, and it is anticipated that they will be appointed during the 2026 Legislative Session. It is not likely that the funds will be expended in FY 26, so the department is requesting to move this appropriation from FY 26 to FY 27.

D. Significant Changes to Measures of Effectiveness and Program Size
